SDM College of Engg & Tech, Dharwad

Workshop
On
Controller(s) Design
For Power System Applications
21-3-2014
(Under TEQIP 1.2)
Registration Form

Name: _____

_____

Designation: _____

Branch: _____

Institution: _____

_____

_____

Contact Number:

E-mail address:

Registration Details:

DD. No. _____ **dated** _____

Bank:_____

Accommodation:

Required / Not required

(Accommodation for limited members shall be provided in the college hostel guest rooms on prior request at nominal rates)

Signature of HOD/ Head of the Institution **Signature of the Applicant**

Chief Patron:
Poojya Dr.D.Veerendra Heggade,
President, SDME Society, Ujire
Patrons:
Prof. S.Prabhakar, VP, SDMES Ujire
Sri D.Surendra Kumar, VP, SDMES, B'lore
Prof.N.Vajrakumar, VP, SDMES Dharwad
Sri. D. Harshendra Kumar, Sec, SDMES,Ujire
Prof. B.Yashovarma, Secretary, SDMES, Ujire
Sri Shreyas Kumar, Project Director, SDMES
Sri K. Jinendra Prasad, Secretary, SDMES
Sri Jeevandhar Kumar, DS, SDMES Dharwad
Organizing committee:
Chairman:
Dr. S. Mohan Kumar, Principal
Convener:
Prof. C. M. Chelli, HOD, EE Dept.
Members:
Faculty members & staff of EE Dept.
Co-ordinator:
Dr. R.L.Chakrasali, EE Dept.

Address for communication and further details:
The Co-ordinator
Workshop on Controller(s) Design For Power System Applications
Department of Electrical & Electronics engineering
SDM College of Engineering &Technology
Dharwad - 580 002.
Phone: 0836 2447465, 98454 77797
e-mail : pratisatu@yahoo.co.in

SDM Education Society, Ujire

Sri Dharmasthala Manjunatheshwara College of Engineering & Technology
Dharwad-580 002 (Karnataka State)
(An autonomous institution recognized by AICTE, affiliated to VTU Belgaum, Under TEQIP1.2 and NBA Accredited)

Workshop
on
Controller(s) Design
For Power System Applications
21-3-2014
(Under TEQIP 1.2)

Organized by
Department of Electrical & Electronics Engineering
SDM College of Engineering & Technology
Dharwad-580

Sri Dharmasthala Manjunatheshwara College of Engineering & Technology

The Institute:

Sri Dharmasthala Manjunatheshwara College of Engineering & Technology, Dharwad is under the flagship of SDM Educational Society, Ujire. The guiding spirit and driving force for all the achievements and progress of our institute is the President Padmabhushan Dr. D. Veerendra Heggade, Dharmadhikari of Sri Kshethra Dharmasthala, who has the highest concern for Vidyadana, being one of the philosophies of Sri Kshetra.

The SDMCET is one of the top quality institutions in India. Since its inception in 1979, the institute has established itself as a centre of high repute engaged in imparting quality education through innovative teaching learning process, best practices and providing support to Research & Developmental activities. The institution is recognized by AICTE, affiliated to VTU Belgaum, beneficiary of TEQIP phase II program of World Bank, accredited twice by NBA besides having academic autonomy. The institution offers under graduate programs in seven disciplines and seven post graduate programs across the departments. Few more state of the PG programs are in pipe line.

Location:

SDMCET is located in Dharwad along the Poona-Bangalore National Highway 4. The institute is spread over more than 60 acres of land surrounded by a beautiful picturesque view and is isolated from the densely populated area thus being conducive for academic activities. It is well connected by road, rail and air to major cities in India. Dharwad is the cultural city of Karnataka and is an excellent educational hub.

About the workshop:

The growing demand for electricity has increased the size of the power system and operational complexities. It is the need of the hour to address the issues that contribute for the qualitative degree of the network stability. In this context, the workshop throws light on, how the new components and advent in technology will help managing the complex power systems with ease to introduce greater flexibilities. Thus, the Objectives are to know :

- The role of integrated power systems
- Need of Hybrid energy systems
- The design of controller(s) for power flow, reactive power measurement etc.
- Recent advances in HVDC.

Target Audience:

Teaching faculty of autonomous technical institutions in Karnataka, TEQIP/Non TEQIP Institutions affiliated to VTU Belgaum, interested faculty from other Engineering colleges, PG students of Power System Engineering, Research scholars and practicing engineers.

Pool of Resource Persons:

1Dr.Jayapal R., RVCE Bangalore
2.Dr.Uma Rao K., RVCE Bangalore

Registration:

The interested aspirants are required to download the brochure (www.sdmcet.ac.in) and send the filled in registration form duly signed by the Head of the Dept/Institution along with a DD for Rs.150/- per person drawn in favour of The Principal, SDMCET Dharwad so as to reach latest by 19-3-2014. TA/DA of the participants is to be borne by the sponsoring Institutions. The information about your participation is to be conveyed through mail also (pratisatu@yahoo.co.in).

Important Dates:

Last date to register : 19-3-2014.
Workshop on : 21-3-2014
