

REMOTE ACCESS TO ONLINE RESOURCES OUTSIDE THE CAMPUS

**To,
The Dean/HOD/Faculty /Students,**

This is to inform you that **IEEE & Science Direct, ASCE, and Springer Link** are now available with **Remote Access** feature on Knimbus E-Library Platform as per subscription with VTU Consortium. **Kindly register your name and email id in the library to access IEEE & other e-resources from outside the campus as well.**

After registering your name and e- mail ID, you will get two e-mails from Knimbus, which has your registration information & Your Login credentials.

To activate remote access on your Knimbus account:

1. <https://www.knimbus.com/user/auth.do>
2. Login to your Knimbus account using your registered email address.
3. Click on “**Setup your remote access**” or Click on Apps>Remote Access - Browser Setup
4. Follow the instruction given there to setup remote access on your browser.
5. Restart the browser.

In case of any queries do let us know. If you have forgotten your password, please reset your password.

Thanks and Regards,

Staff I/C, Library

Note: 1)With a special request to all HOD’s to display the same on the respective DEPT. NOTICE BOARDS so that FACULTY & STUDENTS make maximum use of the resources.

2) Not only IEEE, you can also access other resources from outside the campus network (Science Direct, ASCE, and Springer Link) which are subscribed by the library.
