

Three day Training program on solar PV Technology @SDMCET from 25 th to 27 th June 2015

Three day Training program on solar PV Technology will be organised at SDM College of Engg and Tech on 25th,26th and 27 th June 2015 in association with the Center for Sustainable Development Bangaluru ably supported by Ministry of New and Renewable Energy (MNRE) Govt of India. Interested candidates may contact the Co-ordinator Dr. Shivakumar Gouda Cell :9448981504 and register their names. Training shall be free and the participants shall be issued Certificates on successful completion of the Training.

Solar is a promising Solution for Energy Crisis:

Sri S. P. Sakkari

Solar is going to come in a big way in future to overcome the energy crisis opined Sri. S P. Sakkari, Director (Technical), HESCOM, Hubballi, inaugurating the three days training program on solar PV technology organized by SDM CET, Dharwad, in association with Center for Sustainable Development Bengaluru on 25.6.2015. Further he mentioned the State policy of 1-3 MW power generations using solar and its benefits to the power producers.

Another guest of honor Sri. Jeevandhar Kumar, Deputy Secretary SDME Society spoke on the occasion highlighting the participation of bankers in making such schemes more reachable. He also added that conviction is important in convincing the society during technology transformation.

Prof. H. Vijaymurthy, Dean (III) briefed about the need of such awareness programs and their objectives. Dr. S. B. Vanakudre, Principal SDM CET in his presidential remarks, opined that there is need of self-reliant energy schemes.

Smt. Pushpa. C. A. Director Green Skills Academy spoke on the need of spreading the sustainable energy development. Mr.Ravikumar Gurumurthy and Mr.Ravi Kore resource persons for the training program highlighted the road map of solar energy in the coming days.

Dr. Shivakumar Gouda welcomed the gathering and introduced the guests.

The program started with an invocation song by Kumar. Karthik. Mr. Ashok M-tech student of Mechanical Engineering compared the program. Shri. Venkatesh Pandharikar proposed the vote of thanks.

In all 100 participants across Karnataka are attending the training program.
