## Shri Dharmasthala Manjunatheshwara College of Engineering and Technology, Dharwad

### Institution Profile:

Shri Dharmasthala Manjunatheshwara College of Engineering & Technology, Dharwad is under the flagship of SDM Educational Society, Ujire. The guiding spirit and driving force for all the achievements and progress of our institute is the President **Dr. D. Veerendra Heggade**, Dharmadhikari of SriKshethra Dharmasthala, who has the highest concern for Vidyadana, being one of the philosophies of SriKshetra Dharmasthala.

SDMCET is one of the top quality institutions in India. Since its inception in 1979, the institute has established itself as a centre of high repute engaged in imparting quality education through innovative teaching learning process, novel practices and providing support to Research & Developmental activities. The institution is recognized by AICTE, affiliated to VTU Belagavi, beneficiary of TEQIP phase II program of World Bank, accredited twice by NBA besides having an academic autonomy. The institution offers Under Graduate programs in seven disciplines and eight Post Graduate programs.

### Location:

SDMCET is located in Dharwad, along the Pune-Bengaluru National Highway 4. The institute is spread over more than 66 acres of land surrounded by a beautiful picturesque view and is isolated from the densely populated

area thus being conducive for academic activities. It is well connected by road, rail and air to major cities in India. Dharwad is the cultural city of Karnataka and is an excellent educational hub.

### Department Profile:

The Department of Electronics & Communication Engineering was started in the year 1980 with UG programme, which has a present intake of 120 students + 24 lateral entries. Post Graduation (PG) in Digital Electronics was started in the year 1992 which has intake of 24. Department is recognized as VTU research centre for Ph.D programme in 2002. About 15 internal candidates and 15 external candidates are pursuing Ph.D in various areas such as Microwave Electronics, DSP and VLSI Design etc. The Department is accredited twice by National Board of Accreditation (NBA).

### About the Conference:

The National Conference aims to build bridge between academic and research in the area of recent advancements in electronics and communication stream. The research related activities, are supported by the Governments and other funding agencies. It is appropriate to identify the thrust areas to carry out the research in the electronics and communication field. In view of this, Department of E&CE, SDMCET, Dharwad is organizing one day National Conference on **Recent Advancements in Electronics and**

**Communication Engineering**, to provide a platform to the researchers to share their research experience and exchange their ideas.
