Dharwad-580 002

**Shri Dharmasthala Manjunatheshwar
College of Engineering & Technology,
Dharwad**

The Institute:

Shri Dharmasthala Manjunatheshwara College of Engineering & Technology, Dharwad is under the flagship of SDM Educational Society, Ujire. The guiding spirit and driving force for all the achievements and progress of our institute is the President **Dr. D. Veerendra Heggade**, Dharmadhikari of Sri Kshethra Dharmasthala, who has the highest concern for Vidyadana, being one of the philosophies of SriKshetra Dharmasthala.

SDMCET is one of the top quality institutions in India. Since its inception in 1979, the institute has established itself as a centre of high repute engaged in imparting quality education through innovative teaching learning process, novel practices and providing support to Research & Developmental activities. The institution is recognized by AICTE, affiliated to VTU Belgaum, beneficiary of TEQIP phase II program of World Bank, accredited twice by NBA besides having been granted an Institutional autonomy from 2016-17. The institution offers Under Graduate programs in seven disciplines and eight Post Graduate programs.

Location:

SDMCET is located in Dharwad, along the Poona-Bengaluru National Highway 4. The institute is spread over more than 66 acres of land surrounded by a beautiful picturesque view and is isolated from the densely populated area thus being conducive for academic activities. It is well connected by road, rail and air to major cities in India. Dharwad is the cultural city of Karnataka and is an excellent educational hub.

About the Workshop:

Teaching and instructional patterns are changing with the time. Now days teaching profession is equally opted by the youngsters and are planning their carrier in teaching. As we see training is imparted to teachers who have been engaged in teaching social sciences subjects during pre and post recruitment period. This type of training is not commonly found in Engineering Education. But, the effective teaching is very important in the present context to develop ready engineers for the immediate industrial requirements. Hence, faculty members of engineering institutions require comprehensive exposure to various components of teaching learning process for imparting quality education. In view of this, the office of the Dean academic program of SDMCET, Dharwad is organizing one day

workshop on “Pedagogy in Engineering Education” with an objectives of exposing the participants to the following components of teaching: Teaching style, Curriculum, / Course material development, Assessment / evaluation and creating academic ambience etc. In this workshop, eminent experts from SDMCET and other institutes share their expertise concerning to various aspects of teaching, like basics of teaching, lesson planning, use of modern tools in teaching , etc. followed by a panel discussion on establishing vibrant academic ambience in an institute.

Who can participate?

Faculty members from Engineering Institutes and Research scholars.

Registration:

The aspirants are required to download the brochure from www.sdmcet.ac.in and send the filled in registration form duly signed along with a DD of Rs.200/-drawn in favour of “The Principal, SDMCET, Dharwad”, so as to reach latest by 09 –01-2017.

Important Dates:

Last date for registration: 9th Janaury 2017
Date of Workshop: 13th January2017
