

NOTICE

All the students of SDMCET are hereby informed to note about the academics and examination as detailed below:

VIII Semester UG programs and MBA IV semester:

- 1) Examination preparatory classes will be conducted strictly following standard operation protocols issued by the concerned authorities from 1st August to 14th August 2020. The time table will be notified shortly.
- 2) Examination for theory subjects will be conducted from 17th August 2020 onwards in offline mode.
- 3) The Project viva voce shall be conducted online.
- 4) In the case a student of final year is unable to appear in the examination conducted by the college for what so ever the reasons may be, he / she will be given opportunity to appear in special examinations for such courses / papers, which may be conducted by the college as and when feasible, so that the student is not put to any inconvenience / disadvantage and is applicable only for the current academic session 2019-2020 as a one time measure.
- 5) Final semester students who have reregistered for backlog subjects (both theory and lab) of lower semesters in the current even semester, the result will be announced based on the CIE evaluation and performance in the previous semester.
- 6) The final year students who have not reregistered for backlog subjects (both theory and lab) and the students who have completed final year and have not reregistered (both theory and lab) will be given opportunity to reregister in due course of time after the completion of main exam and makeup examination.

II, IV and VI Semester UG programs and M. Tech. II semester and MBA II semester students:

- 1) The Regular students of the above semesters are informed that their results will be announced taking into consideration the performance in CIE and previous semester.
- 2) The results will be announced after the completion of tabulation process which will be notified shortly.
- 3) The students who have reregistered both for theory and lab of lower semesters in the current semester will be considered for evaluation of CIE and previous semester performance for announcement of the result.
- 4) In the case of above semester students are not satisfied with their performance, he / she will be given opportunity to appear in special examinations for such courses / papers, which may be conducted by the college as and when feasible, so that the student is not put to any inconvenience / disadvantage and is applicable only for the current academic session 2019-2020 as a one time measure.
- 5) All the students from I semester to VI semester are permitted to take admission to the next higher semester for the academic year 2020-2021. If they have backlog subjects, then they need to pass those subjects in two subsequent semester examination i.e. Odd and Even semester to justify their admission to the next semester.

M. Tech. IV semester students:

The project viva voce shall be conducted online. In case a student is unable to reach then he / she will be provided an opportunity to give viva voce which may be conducted by the college as and when feasible, so that the student is not put to any inconvenience / disadvantage and is applicable only for the current academic session 2019-2020 as a one time measure.
