Editorial:

The Civil Engineering Department started in the year 1979 with the inception of our institution had newsletter in an informal way till these years. It gives me an immense pleasure to release the official E-Bulletin from the year 2017 with the support of faculty members and students.

This gives an opportunity to the faculty and students to properly document their activities /recognitions and showcase them to the outside world.

I congratulate all those who have put -in their efforts for the successful release of this E-Bulletin and wish them 'ALL THE BEST' in bringing this bulletin in the years to come.

Prof. Dr. Mahesh S Patil
Head of the Department
