

AICTE and SDM College of Engineering and Technology, Dharwad Jointly Organize Three Days Faculty Development Program
ON

“Introductory FDP on Universal Human Values (UHV)”

22nd to 24th August 2024

Mode of Conduct : Face to Face (Offline)

Important Dates:

Last date for submission of application:18.08.2024

Duration of programme : August, 22-24 , 2024.

Venue: Seminar Hall, Civil Engg. Department, SDMCET Dharwad

Registration link: <https://fdp-si.aicte-india.org/register1.php?detail1=649&detail2=south-west>

Contact Numbers: 9945258096, 9482560244

CHIEF PATRONS

- ❖ Poojya Sri Dr. D. Veerendra Heggade
President, SDMES, Ujire
- ❖ Prof. S. Prabhakar. VP. SDMES, Ujire
- ❖ Sri D. Surendra Kumar, VP. SDMES, B'luru
- ❖ Sri D. Harshendra Kumar , Sec. SDMES, Ujire
- ❖ Dr. S Satheeshchandra Sec. SDMES, Ujire
- ❖ Sri Shreyas Kumar, Project Director, SDMES, B'luru
- ❖ Sri Jeevandhar Kumar. Sec, SDMES Dharwad

ORGANISING COMMITTEE

CHAIRMAN:

- ❖ Dr. Ramesh L Chakrasali
Principal, SDM College of Engineering and Technology, Dharwad

MEMBERS:

- ❖ Dr. Vijaya C (Dean Academic)
- ❖ Dr. Sateesh Bhairannavar (Dean CIII)
- ❖ Prof. J V Vadavi (Dean IPD)
- ❖ Dr. Keshav Joshi (Dean Admin)
- ❖ Dr. K N Patil (Dean R & D)
- ❖ Prof. Savitri Raju (COE)
- ❖ Heads of all the Departments

LOCAL PROGRAMME COORDINATORS

- ❖ Dr. A A Kittur
Prof. & Head, Dept. of Chemistry
Local Program Coordinator, SDM College of Engineering and Technology
- ❖ Dr. Shailaja Shirkol
Asst. Prof., Dept. of Mathematics
Local Program Coordinator, SDM College of Engineering and Technology

ABOUT THE INSTITUTE

SDM College of Engineering and Technology (SDMCET) Dharwad, Karnataka, established in the year 1979, is a prestigious engineering institute affiliated to Visvesvaraya Technological University (VTU), known for its academic excellence, cutting-edge research, and emphasis on holistic student development. The college offers 8 diverse undergraduate and 6 postgraduate programs, supported by a highly qualified faculty and modern infrastructure, including the state-of-the-art laboratories and a comprehensive library. Accredited by NBA and NAAC with A grade, SDMCET fosters innovation and learning through advanced research facilities. The institute emphasizes co-curricular and extracurricular activities, promoting leadership, teamwork, and communication skills among students. With strong industry connections and an active placement cell, SDMCET ensures graduates are well-prepared for global careers. The college is committed to ethical values, social responsibility, and sustainable development, making it a preferred choice for aspiring engineering students seeking a comprehensive education in a nurturing environment. SDMCET's focus on quality education, student success, and community impact solidifies its reputation as a leading engineering institution in India.

IMPORTANCE OF UHV FDP

This FDP is structured to impart a deep understanding of the significance and practical application of universal human values across various facets of life. It emphasizes the promotion of ethics and morality, the enhancement of interpersonal relationships, the cultivation of a cohesive society, and the contribution to global peace and harmony. Additionally, it focuses on fostering personal development and addressing contemporary challenges. Universal Human Values FDPs are instrumental in nurturing professionals who not only excel in their career but also make meaningful contributions to their communities and the world at large. This program will equip participants with the skills to mentor students effectively, guiding them towards developing a holistic and well-rounded vision of life.

WORKSHOP OBJECTIVES

1. Cultivate a holistic vision of life.
2. Foster socially responsible behavior.
3. Promote environmentally sustainable practices.
4. Uphold ethical standards in all aspects of life.
5. Develop competence and capabilities for maintaining health and hygiene.
6. Instill a deep appreciation for excellence and nurture a sense of gratitude.

OUTCOMES

1. Participants will gain enhanced self-awareness and a better understanding of their environment, including family, society, and nature.
2. They will become more responsible, addressing challenges with sustainable, relationship-focused solutions.
3. Participants will be able to effectively apply their learning to everyday real-life situations.

RESOURCE PERSONS

The complete FDP will be conducted by a team of Resource Persons of NCC-IP, a joint committee of UGC and AICTE:

- ❖ **Dr. Manishi Mishra**
mishramanishi@akgec.ac.in
9873533079
- ❖ **Dr. Shashikant S. Kurodi**
shashikant@sdmcet.ac.in
9480075402
- ❖ **Prof. Poorva V. Adhyapak**
pvadhyapak@git.edu
9591418360
- ❖ **Dr. Anita Santaji Mane**
