## **PREAMBLE**

Shri Dharmasthala Manjunatheshwara College of Engineering and Technology (SDMCET), Dharwad, started in 1979, is one of the acclaimed premier engineering institutions of the country. The qualified, dedicated team of competent, committed faculty members and staff has created a brand name “SDM” in the field of technical education. All the departments of the institute are constantly engaged in addressing the core academic issues pertaining to teaching, research and development pursuits in major thrust areas of present time with both sponsored research activities and external registrants for Ph.D. program have made the institution grow rich academically year by year. It is actively engaged in purposeful interaction with industries, research laboratories and other institutions of higher learning and is proud to find its alumni holding various key positions in academia, industries and corporate sectors both in India and abroad.

Education is pivotal to development of society. The role of higher education is very important for securing right kind of employment and also pursues further studies both in India and abroad. Quality education enable the students to acquire knowledge, skill and training in order to have holistic and multidisciplinary education to develop all capacities of human beings- intellectual, social, physical, emotional and moral in an integrated approach which is the essence of National Education Policy (NEP 2020).

Academic autonomy granted by VTU in 2007 has facilitated the institution to formulate the curriculum using the state of the art methodology considering the recommendations of NEP 2020 and changing technology, to adopt student centric teaching-learning process rather than teacher centric method and to practice continuous evaluation with grading system. All these have helped to create a vibrant academic ambience to implement Outcome Based Education (OBE) concept and to move towards an effective and purposeful Engineering Education.

The regulations / norms are prepared in line with AICTE and VTU guidelines to assist in practicing autonomy at SDMCET, while delivering its full benefits thereby helping to meet the 21<sup>st</sup> century challenges faced by the technical education system in the country with transparency and accountability.

## **College Vision and Mission**

### **Vision:**

To develop competent professionals with human values.

### **Mission:**

1. To have contextually relevant Curricula.
2. To promote effective Teaching Learning Practices supported by Modern Educational Tools and Techniques.
3. To enhance Research Culture.
4. To involve Industrial Expertise for connecting classroom content to real life situations.
5. To inculcate Ethics and impart soft-skills leading to overall Personality Development.

### **SDMCET- Quality Policy**

In its quest to be a role model institution, committed to meet or exceed the utmost interest of all the stake holders.

### **SDMCET- Core Values**

- Competency
- Commitment
- Equity
- Team work and
- Trust

## **R1: ACADEMIC REGULATIONS**

The college has been accorded autonomous status from the Academic Year 2007-08 by UGC and VTU and also institutional autonomy by VTU from 2016. The Academic Council provides the rules and regulations for the smooth conduct of academic programs with the approval of the Governing Council and shall continuously monitor the programs and makes appropriate amendments to the rules and regulations whenever required. Various committees have been constituted as per the norms and guidelines to recommend to the AC for consideration of the proposals regarding changes in the curriculum, (addition/deletion of courses, changes in the contents of syllabus and duration of instructions), assessment method/system, discipline and conduct of students.

## **R2: INTRODUCTION**

**R2.1:** The regulations listed here under are common for all degree level under graduate autonomous programs offered by the college and are known as “SDMCET Regulations for UG programs”.

**R2.2:** The regulations here under are subject to amendments from time to time, by the academic council of the college keeping in view there commendations made by the Board of Studies, Joint Board of Studies, alumni and other stake holders. Any oral such amendments will be effective from such dates may be decided by the Academic council. Further, SDMCET shall also be free to make changes in the existing degree programs with the approval by its GC, University, GOK and AICTE.

## **R3: ACADEMIC PROGRAMS**

SDMCET is offering academic programs as mentioned in R 2.1. Further, SDMCET is free to start new Degree programs at Undergraduate (UG) and Post Graduate (PG) levels along with the existing programs with the approval of its GC, University, GOK and AICTE. In all cases, the program shall fulfill the minimum requirements regarding infrastructure, faculty members, staff, academic quality and standards of degrees specified by the University, the Council and the Commission. Further, SDMCET is free to start Certificate programs of suitable time duration in skill development to help youths of the society in getting employment with approval from its AC and GC.

### R 4: TERMINOLOGY

- **Semester:** The academic year is divided into two main / regular (odd, even) semesters of duration 19 weeks each and with a supplementary semester of 8 weeks.
- **Course Credit:** Weighted sum of the number of Lecture hours (L), Tutorial hours (T) and Laboratory /Project (P) hours of the course.  
Lecture: 1 Hr/week – 1 Credit  
Tutorials: 2 Hrs/week – 1 Credit  
Practical : 2 Hrs/week – 1 Credit  
Seminar, Project (Minor and Major): As recommended by DUGC, BOS and Approved by the Academic Council. The above course credits also holds good for supplementary semester.
- **Credits Earned:** Total number of credits from the courses earned by the student in a semester/year on successful completion.
- **Grade:** Assessment of the students' performance in a credit course is indicated by the letters O, A+, A, B+, B, C, P, F and PP/NP Grade for Audit course.
- **Grade point:** Number equivalent of the letter grades given by 10, 9, 8, 7, 6, 5 and 4 corresponding to grades O, A+, A, B+, B, C and P respectively. Grade F carry zero or no grade points.

#### **R4.1: Title and duration of the Program**

**R4.1.1:** The program is full time Bachelor Degree program in Engineering and shall be called 'Bachelor of Engineering' abbreviated as 'B.E.' with Branch of Engineering specified in parenthesis (branch of study).

**R4.1.2:** The duration of the program shall be of four complete academic years.

**R4.1.3:** The maximum period within which a student must complete a full-time degree program will be double the normal duration specified for that program i.e., 8 years for B.E program.

#### **R4.1.4: Semester scheme: Main / Regular semester**

Each academic year shall be divided mainly into two semesters. A semester that begins in August shall be called odd semester and the semester that begins in January as even semester. These odd and even semesters are called main / regular semesters. There shall be a supplementary semester of 8 weeks duration for those students who have not completed courses successfully in the main / regular semesters. It shall be conducted during vacation i.e. between the end of the even semester and start of the next odd semester. The course(s) to be offered during supplementary semester is the discretionary of the departments.

**R4.1.5:** The entire B.E. program in each branch is divided into eight semesters with each semester having a total duration of 19 weeks that includes course registration, continuous and semester end assessments. A vacation of two weeks after every odd semester and 12 weeks after every even semester shall be provided or based on the prevailing situation.

#### **R4.1.6: Supplementary Semester**

A Supplementary Semester is conducted during the vacation between even and the next odd semester to facilitate those students who have not completed courses successfully in the main / regular semesters. It shall be of 8 weeks duration including course registration, continuous (sessional) and semester end (terminal) assessments. Courses offered in the Supplementary Semester will be treated as equivalent to a regular semester (odd/even) for all teaching learning and assessment purpose.

Supplementary Semester will be at an accelerated pace and will be at double the rate of normal semester such that a course of 4 hours per week will have 8 hours per week.

#### **R4.2: Admission of students**

##### **R4.2.1: Admission to first semester (First Year)**

Admission to all programs will be made by fulfilling the eligibility criteria in the beginning of the odd semester at the first year level based on the performance in the entrance examination (CET/COMEDK) as per the guidelines issued by the GOK and VTU from time to time. The candidate should have successfully passed PUC II or 10+2/equivalent examination with the combination of subjects recommended by the competent authority. Admissions are also offered under NRI & institution quota in accordance with the rules pertinent for such admission, issued from time to time by the GOK/competent authority.

**R4.2.2: Direct Admission to Third semester i.e. Second Year (Lateral entry)**

The Candidates who have passed the three year diploma examination conducted by the Directorate of Technical Education, GOK or its equivalent as recognized by the VTU are eligible for direct admission to third semester (second year) of B.E. Degree Program. The selection procedure for lateral entry shall be as per the rules stipulated by GOK from time to time. The maximum duration for laterally entered students shall be 6 years.

**R4.2.3:** Every under graduate student shall study first year branch wise courses.

**R4.2.4:** The selected student will be admitted to the program after fulfillment of all admission requirements as indicated and after payment of the prescribed / approved fees. The fees charged for admission to students over the duration of the program shall be as per the norms of GOK from time to time for each category.

**R4.2.5:** Student having an offer of admission shall be a student of the college only after completing the admission process including the payment of prescribed fees.

**R4.2.6:** If found at any time after admission, that a candidate has not fulfilled all the requirements mentioned in the offer of admission or gives false information, then the admission given by the college shall be liable for cancellation.

**R4.2.7:** Admission to higher semesters (years) for all programs will be made in the beginning of the odd semester respectively on meeting the eligibility criteria fixed for getting promotion to next year of study.

**R 4.2.8:** Admission to second, third, fourth year from any other College/University as a transfer shall be as per the rules laid down by the competent authorities. However, the college shall exercise its rights to appraise the appropriateness of student admission on the basis of merit.

**R4.2.9:** The College reserves the rights to withdraw admission of any student and ask to discontinue studies at any stage during the program on the grounds of regressive academic performance or indiscipline.

**R4.3: Withdrawal /Termination****R4.3.1: Temporary Withdrawal**

A student seeking temporary withdrawal is granted permission by the Principal based on the recommendation of the Dean (AP) for withdrawal from the program for one semester / year for reasons of ill health or other genuine reasons on the recommendation of concerned mentor, HOD and the consent of the parents with the following conditions:

- The student applies to the college within six weeks of commencement of the term or from within six weeks of his/her last attendance in class whichever is earlier, explaining the reasons for withdrawal with supporting documents and endorsement by his/her parents.
- The student shall have paid all dues to the college including library, department, etc.
- A student shall be permitted to avail temporary withdrawal only once during the program duration and for a maximum duration of two semesters.
- Such student who has discontinued and readmitted will be governed by the rules and regulations, courses of study and syllabi that are in force at the time of

his/her rejoining the college. The joining time shall be the normal commencement of the term.

#### **R4.3.2: Indefinite Withdrawal**

- Any student who withdraws admission before the closing date of admission for the academic session is eligible for the refund of the deposits only. Fees once paid will not be refunded on any account even if the student has not attended a single L, T or P.
- Once the admission for the year is closed, the following conditions govern withdrawal of admissions:
  - 1) A student who wants to leave the college, will be permitted to do so (and take Transfer Certificate from the College, if needed), as per the college rules in this regard.
  - 2) Those students who have received any scholarship, stipend or other forms of financial assistance from and through the College such as GATE & other Government of India scholarship shall refund the money/grant he/she received.

#### **R4.3.3: Termination:**

A student is liable for termination / expulsion from the college in the following cases:

- 1) If a student fails to complete the degree program within the specified maximum duration, he/she will be terminated from the program. However, the student can seek readmission to the first year of the program afresh.
- 2) Failure to secure a CGPA  $\geq 5.00$ .
- 3) Remaining absent from the classes for more than six weeks continuously in a semester without leave of absence being granted by the competent authorities.
- 4) Failure to comply with the standards of discipline and code of conduct as prescribed by the college from time to time.

#### **R4.4: Academic Calendar**

An academic calendar which depicts the activities and their duration for a full year shall be divided into semesters (main / regular and supplementary) with their calendar duration and academic activities being prepared in advance.

**R4.4.1:** The academic calendar depicts the duration and activities in respect of each academic session as fixed by the college from time to time. The academic calendar shall contain the schedule of academic activities for an academic year and is prepared by Dean (Academic Program), in discussion with HODs, approved by AC and will be announced to all the concerned at least two weeks prior to the commencement of the semester. The academic calendar shall be prepared ensuring that the total number of working days for academic work is  $\geq 180$  days / year.

**R4.4.2:** It is Mandatory/binding for all the employees and students of SDMCET to austere follow the academic calendar for accomplishment of the academic activities.

**R4.4.3:** The Academic Calendar shall be strictly followed and activities such as co-curricular and extra-curricular shall not overlap or interfere with the curricular activities mentioned in the academic calendar. However, slots provision for such activities shall be considered while framing the academic calendar.

**R4.4.4:** Under unforeseen circumstances when teaching days are declared as holidays or teaching learning activities not being held for what so ever reasons, makeup classes

for the days lost shall be conducted on Saturdays/Sundays and other days with an announcement in advance to the students. However, the classes shall not be conducted on general holidays declared by the Government / University.

#### **R4.5: Registration and Re-registration**

**R4.5.1:** Registration to the courses offered by the departments for the first time in an odd or even semester is automatic for all the students and shall be confirmed only after completion of admission process.

**R4.5.2:** All eligible students as per the vertical progression norms are permitted for automatic registration based on the results announced by the Controller of Examination (CoE).

**R4.5.3:** A student shall be permitted to register as per R4.5.2 for the next higher semester only upon:

- Satisfying all academic requirements to continue with the program.
- Paying the college, library fees and dues if any.
- Not being debarred from registering due to any specific reason by the institution.

**R4.5.4:** Registration in absentia through an authorized representative of the student will be considered only in exceptional cases at the discretion of Dean (Academic Program).

**R4.5.5:** Diploma holders admitted under lateral entry to third semester are also eligible for automatic registration to the higher semester as per the above norms.

**R4.5.6:** There shall not be automatic registration for the course or courses in the supplementary semester, however, in the case of students having taken transfer from other institutions and in the case of those who are to fulfill the requirement of the equivalence by taking additional courses as per the recommendation of DUGC shall be permitted to register for a course directly to the supplementary semester.

**R4.5.7:** To re-register for a course, a student should have had automatic registration during main / regular semester and should seek re-registration due to dropping or withdrawing of the course or detention due to not having met the attendance requirement /or failure to score minimum eligibility marks in CIE.

**R4.5.8:** Every student seeking re-registration is required to consult his faculty mentor to register for offered courses on or before the last dates fixed for re-registration as notified in the academic calendar.

**R4.5.9:** Only those students who have paid all the dues of the previous year fixed by the college and not debarred from registration on specific grounds are permitted for automatic registration and re-registration to the courses during main and supplementary semesters respectively.

**R4.5.10:** A student shall re-register for the courses when ever those courses are offered next, if he/she has the shortage of attendance either in the regular semester or Supplementary Semester.

**R4.5.11:** A student having CIE marks less than 20 (40%) or failed to meet the attendance requirement shall re-register either in the Supplementary Semester or subsequent regular semesters whenever those courses are offered next.

**R 4.5.12:** Re-registration involves filling up of form available in Dean (Academic office) mentioning the details of theory course / Laboratory / Workshop as the case may be.

**R4.5.13:** Student who fails to re-register for course work on or before the notified date shall be permitted by the college for late re- registration on another notified last date with payment of late fees as fixed by the college.

**R4.5.14:** A student can re-register for failed courses along with the automatically registered courses in a regular semester, provided the time table is accommodative and the maximum credits in that semester do not exceed 30 including the credits of courses intended for re registration and backlog courses.

**R4.5.15:** A student shall be permitted to re-register for failed courses in Supplementary Semester for a maximum of 20 credits including backlog courses, Theory and Practical courses. However, in the case of genuine reasons the upper credit limit of 20 shall be relaxed by the Principal based on the recommendation of Dean (AP) provided the permission is sought well before the commencement of Supplementary Semester.

**R4.5.16:** Registration for Audit courses, Seminar, soft skills/aptitude and Project work is not permitted in Supplementary Semester. However, Principal may consider registration for the above courses Audit courses in the case of valid reasons and recommendation by the Dean (AP).

**R4.5.17:** Respective HOD's in consultation with the Dean (Academic Program) shall announce the list of odd and even semester courses proposed to be offered in the supplementary semester at least 15 days prior to the closure of even semester. Students who desire to avail this facility shall register within a week time from the date of the announcement.

**R4.5.18: Dropping of courses:**

Students may drop the registered course(s) on or before the dates indicated in the academic calendar retaining the minimum number of credits specified on the advice of Course Instructor (CI) and shall not be mentioned in the grade card. Such courses shall be re-registered whenever offered at a later time by paying the prescribed fees.

**R4.5.19: Withdrawal from courses:**

Students may withdraw from the registered course(s) on the dates indicated in the academic calendar retaining the minimum number of credits specified on the advice of CI and shall be mentioned in the grade card as grade 'W'. Such courses shall be re-registered whenever offered at a later time by paying prescribed fees.

**R4.5.20:** Supplementary Semester system will continue for all the batches admitted before 2023-24 for another two years 2025 and 2026 only. From the regular batch 2023-24 and lateral entry batch 2024-25 onwards. There is no Supplementary Semester from the regular batch 2023-24 and lateral entry batch 2024-25 onwards. There will be only Supplementary Examination at the end of every academic year for the above mentioned batches after regular even semester SEE, during summer vacation. The students with NE (Not Eligible) courses are required to re-register during regular semesters, with odd semester courses during odd semester and even semester courses during even semester respectively. Students are allowed to appear for Supplementary Examination for the courses of all the semesters with F grade and those who remained absent for the examination.

#### **R4.6: Attendance of Students**

- R4.6.1:** The desirable attendance for all academic work such as theory, laboratory session, seminar, soft skills/aptitude, project, internship and any component appeared in the scheme is 100%. Up to 25% relaxation can be given due to genuine reasons. However, 75% attendance is mandatory.
- R4.6.2:** In the case of emergencies such as untoward incidents or critical illness of close relatives, the principal may condone attendance to the extent of 10%.
- R4.6.3:** In the case of self-ill health / sickness, the student has to intimate in writing without fail. However, under serious sickness, which exceeds more than two days, a letter from parents/mentor and medical certificate from recognized hospital/Govt. hospital is essential for considering his/her absence for condoning the attendance as mentioned R.4.6.2.
- R4.6.4:** The students who are participating in technical activities, co- curricular and extra-curricular activities to represent the college and university have to obtain prior permission from the Dean (Academic Program). Concerned faculty, HOD and Dean (Student Welfare) will forward the letter of request with their recommendation / remarks to the Dean (Academic Program). But the final approval will remain only with the Dean (Academic Program) to recommend to Principal.
- R4.6.6:** Students attending Training & Placement activities are required to produce attendance certificate/letter issued by the Training and Placement Officer at the college level. Further, the certificate should have the details of the progress made by the students at different levels of selection process. However, final approval will be given by the Dean (Academic Program).
- R4.6.7:** In all the above cases, condoning of maximum of 10% attendance is done, provided the student has 85% attendance during the period he/she has been attending the academic work.
- R4.6.8:** Apart from the above mentioned reasons, Principal is empowered to condone the absence of a student on the recommendations of HOD and Dean (Academic Program) with proper proof in the case of any unavoidable exigencies.
- R4.6.9:** Students may be informed of the attendance status periodically and shall be cautioned to makeup the shortage if any. A student having shortage of attendance in any course(s) can withdraw from such courses (retaining minimum number of credits as per regulation) with a mention “W” in the Grade Card. A student shall keep looking at the notice board for attendance status.

#### **R4.7: Curricula and Syllabi**

The institution shall consider curriculum frame work as an important phase in setting the right direction for a program by taking into account the type, quantum of knowledge and skill sets necessarily to be acquired by the student to qualify for the award of degree in his / her chosen branch or subject area. Besides, it helps in assigning the credits for each course, the spreading of the courses over the semesters to accumulate finally total number of credits for the award of the degree.

- R4.7.1:** Every program shall have a curricula and syllabi as recommended by the BOS and approved by AC.

**R4.7.2:** The medium of instruction for all courses, any academic work and examination shall be English except for Kannada course as mentioned in the scheme.

**R4.7.3:** Choice based credit system (CBCS) is adopted in the college. The minimum and maximum credits to be prescribed in a semester are  $\geq 16 \leq 30$  credits. However, for VIII semester, the total credits shall be less than 16 as per the approval of the Academic Council.

**R4.7.4:** Requirement for conferment of a particular degree is measured in terms of credits obtained. A student earns the obligatory credits for a particular course by fulfilling the academic requirements viz. attendance, evaluation etc., prescribed in the regulation document. The students taking admission at the commencement of the academic year (for any odd semester) have to take the existing scheme of study. The department DUGC is to prepare the list of equivalent courses in the case of revision of scheme, reshuffling of courses across the semesters, transfer from other colleges. While establishing the equivalence the course title and course contents shall be given the priority and a little deviation in credits matching shall be permitted. A copy of the resolutions of DUGC in this regard shall be marked to the office of the Dean (AP), MIS office and CoE office.

**R4.7.5:** The types of courses offered are Theory, Laboratory, Integrated Theory & Laboratory, Technical Seminar, Independent study, Project (minor project-1, minor project -2, major project phase-I, major project phase –II etc.), internship, soft skill/aptitude, self-study etc., besides Induction program in the beginning of UG program and AICTE activity points:

- Theory courses can involve Lecture (L) and Tutorial (T) hours.
- Laboratory courses (P) consists of practical sessions. A student has to work in Laboratory/Drawing hall/ Workshop during this period.
- One unit of course work and its corresponding one credit in a main semester shall be equal to:
  - Theory course conducted for 1 hour/week/semester.
  - Tutorial conducted for 10 to 15% of total number of hours
  - Laboratory course, Technical seminar, project, internship, soft skills/aptitude, self- study for 2 hours/week/semester. However, for Internship, soft skills/aptitude as recommended by the BOS and approved by the Academic Council.  
(Practical training in industry for short duration, visit to industry for short duration, study tour, guest lectures is only value addition activities and no credits shall be awarded for the same if not mentioned in the scheme).

**R4.7.6: Induction Program:**

The incoming students are driven by their parents and society to join engineering without understanding their interests and talents. As a result most students fail to link up with the goals of their institution. Therefore to help the students from diverse thoughts and backgrounds, three weeks induction program is conducted in the beginning of the program to develop well trained manpower with a feeling of responsibility towards oneself, one's family and society. This will help the students to adjust to new environment, open up, set a healthy routine and create bonding in the batch as well as between the faculty and students, develop awareness, sensitivity, understand self, society and nature and inculcate the ethos of the institution with a sense of

larger purpose. It is mandatory for all the incoming students to undergo induction program.

**R4.7.7: Basic Science Core Courses (around 13% of total credits):**

Every student has to undergo these courses in the first year of study. These Courses are Physics, Chemistry and Mathematics which help in building the scientific foundation needed for engineering education. Basic science departments in consultation with engineering departments design/decide the curriculum for these courses which in turn is expected to help the students in application of their knowledge in the respective branch of engineering.

**R4.7.8: Humanities and Social Sciences (around 7% of total credits):**

These courses are required to study the human behavior and interaction in social, cultural, ethical, environmental, economic, managerial, political etc., contexts. Courses in the area of Management, Economics, Soft skills, Aptitude, Functional English, regional language (Kannada), Universal Human Values course etc., are required to enable students to realize the real world scenario and get acquainted with it. These courses are also considered important and special emphasis shall be given. The respective Board of Studies will recommend the syllabus for these courses.

**R4.7.9: Engineering Science Core Courses (around 11% of total credits):**

Every student has to undergo subjects related to the basic requirement of industries / related sectors that builds the fundamental concepts of overall engineering and includes basic engineering concepts of Electrical, Electronics, Civil, Mechanical engineering and fundamental knowledge of Computer Programming. Respective departments will design/ update the curriculum for these courses keeping in view the present requirement of the industry and future challenges / opportunities.

**R4.7.10: Professional Core Courses (around 35% of total credits):**

These courses are related to the branch of study and cover fundamental concepts, courses to study in deep about the stream of engineering and applications. These courses shall also guide for research and development in the selected branch of study. Each DUGC is expected to frame the curriculum, syllabi and credits to be offered in each course, subjected to approval of respective BOS and AC. Each department shall design the curriculum and implement the same keeping in view the recommendations of NEP 2020 and Outcome Based learning to ensure the quality of teaching and learning process.

**R4.7.11: Professional Elective Courses (Around 11% of total credits):**

These courses enhance the depth and breadth of the educational experience in the selected branch of study and it is obligatory for each department to offer the elective courses to the students from time to time taking into consideration the specialization, immediate industrial necessities and changing technology.

**R4.7.12: Inter-disciplinary (open) Elective courses (Around 11% of total credits):**

Departments can offer inter-disciplinary (open) elective courses common to students of two or more departments so as to benefit the students at large enabling them to be a part of multidisciplinary domain. The students of the respective department should compulsorily opt open elective of other departments.

**R4.7.121: Ability Enhancement courses (Around 3% of the total credits):**

The Ability Enhancement courses are included for knowledge enhancement. The courses include from technical, emerging arts, commerce and Science.

**R4.7.13: Mandatory Learning Courses/Audit Courses:**

Constitutions of India, Communication skills, Professional ethics, environmental science, Universal Human values, Regional languages, Yoga, Physical Education, NSS etc., are mandatory/audit courses. These are audit courses and are conducted with a provision of slots in the time table. Every student has to register for these courses and complete satisfactorily by securing “PP” grade and will be marked as “NP” grade if not completed. These grades shall reflect in the grade card. But, these shall not be taken into account in determining the student’s academic performance in the semester.

**R4.7.14: Projects (Minor and major), soft skills/aptitude, internship, Seminar, independent study etc.: (Around 12% of total credits):**

All projects mentioned in the scheme is for partial fulfillment of the requirement for the specified degree program; each student is required to carry out a project work under the guidance of faculty member(s). Project should be based on the application of knowledge acquired by the student having undergone various theory and the laboratory courses. Students are encouraged to refer the technical journals for selection of topic for the project. Students are expected to use their analytical, practical and software skills in realizing the project work. The students are expected to give seminar and undergo internship in industry / R&D / teaching institute of high repute for the specified period in the scheme during summer vacation or an equivalent as recommended by BoS and approved by the AC.

**R4.7.15: AICTE Activity Points:** Apart from the technical and professional skills, the students are required to involve in carrying out community and allied activities to assert that Engineers have an obligation to serve the society. Every student who is admitted for 4 years program, is require to earn 100 activity points. The lateral entry students are required to earn 75 activity points. Suggested to refer to AICTE website for the detailed objectives, number of activity points, number of hours, list of activities etc., for proper implementation. There are no credits for the activities, but for the award of the degree, it is necessary for every student to submit a certificate in the specified format about the activities carried out and activity points earned. This certificate needs to be submitted to VTU through the office of CoE. Further, the documentation for having carried out the activities need to be maintained in the Departments.

**R 4.7.16:** The number of students in a batch shall be as below:

- 5<sup>th</sup>Semester Minor Project – 1: not more than 4 students
- 6<sup>th</sup>Semester Minor Project – 2: not more than 4 students
- 7<sup>th</sup>Semester Major Project Phase – 1: not more than 4 students
- 8<sup>th</sup>Semester Major Project Phase – 2: not more than 4 students

The team/group/batch formation shall be decided by the DUGC based on suitable criteria as decided by the DUGC to see that all students in the group will contribute for the implementation of the project and each group will be guided by a faculty member.

**R4.7.17: Industrial Training/visit to industry:**

As part of the specified degree program, Departments along with CIII (Centre for Industry Institution Interface) are expected to collaborate with industries to expose the students to industrial environment and also arrange visits to the industries. Such visits could be arranged during vacation only. Proper weightage in course teacher assessment (CTA) shall be given for the same, if found deserving.

#### **R4.8: Assessment of students**

**R4.8.1:** A student needs to earn 160 credits (120 credits for lateral entry students) as the requirement for the conferment of BE degree.

**R4.8.2:** The institution can amend the structure of CIE and SEE in each semester keeping the weightage proportion unaltered or on need base with approval of AC.

**R4.8.3:** The assessment of theory course is as follows:

- Theory courses are evaluated through CIE and SEE. The relative weightage for CIE and SEE is 50% each. Further, CIE is having two components viz., Internal Assessment (IA) Test and Course Teacher Assessment (CTA). The weightage for IA and CTA is 80% and 20% respectively.
- Both IA test (one component of CIE) and SEE are written examinations and shall be conducted centrally by the CoE.
- The schedule of IA and SEE exam shall be appearing in the academic calendar.
- IA test for theory courses shall be of one hour duration with a maximum of 20 marks for each theory course. IA-I and IA-II are compulsory and IA-III shall be an improvement test and is open to all.
- CTA includes classroom interaction, announced & unannounced quiz, assignments, case studies, term papers, presenting papers in seminar/conferences of at least national level, publishing paper in journals, appearing for online course, open book test, course seminar and it shall be decided by the CI. Further, the CTA should not have more than two components. If the students are unable to take online course, they should be provided with alternative components for CTA evaluation. For open book test the CI is required to inform the Dean (AP) about the modalities followed to conduct open book test.
- SEE for theory courses shall be of one/ two /three hours duration with a maximum of 50 / 100 marks for each theory course.
- Detailed SEE time table shall be displayed at least two weeks prior to the commencement of SEE by the COE.
- The evaluation of projects in different semesters shall be carried out as per the guidelines given in the scheme.

**R4.8.4:** The assessment of other courses is as follows:

- Non credit courses like mandatory learning courses have only CIE and Technical Seminars will have only CIE
- The laboratory course and project have CIE as well as SEE.
- CIE for laboratory / project / seminar/ softskills /aptitude / internship shall be broadly based on routine performance, preparedness, regularity, overall understanding of the experiment, writing of journals/ reports/ drawings, interaction/ involvement during the course of working on setup, test conducted at the end etc., and shall be devised by the respective course Instructors keeping transparency intact pending approval by the DUGC.
- CI shall provide the details of mode of conducting the experiments and performance assessment in the laboratory course. It is mandatory to maintain and submit laboratory journal, drawing sheets, related records / reports prescribed documentation for the laboratory course, jobs in Workshop, project reports, seminar reports, etc.

**R4.8.5:** It is compulsory for the Students to attend all the IA tests, examinations and evaluations that are prescribed and conducted.

**R4.8.6:** Credits for a course will be awarded only if the student satisfies the minimum attendance requirements and acquires the necessary passing grades both in CIE and SEE for that course. No credits are awarded if the student remains absent in SEE even though he/she having met the minimum attendance requirements and scored qualifying marks in CIE.

**R4.8.7: Question paper setting:**

- Question papers (QP) for IA tests shall be set by the concerned CI and the quality of IA test question papers shall be ascertained by DUGC / Dept. IQAC.
- Question papers for SEE shall be set by the concerned CI and also by external faculty.
- BOE comprising external and internal members will scrutinize the question papers for the quality and standards in all respects.
- Question paper for practical / project work / drawing/internship/soft skills /aptitude or any laboratory nature courses shall be jointly set by both the internal examiners.
- The question papers shall be designed both for CIE and SEE keeping in view of testing achievement with different levels that contribute to the attainment of course outcomes with defined program outcomes (Graduate attributes).
- The CI shall adhere to the instructions issued at the time of QP setting by the Dean (AP) and COE to ensure the implementation of Outcome Based Education and thereby meeting the defined Graduate attributes.

**R4.8.8: Question paper pattern:**

An examination shall have different objectives like testing for the achievement, prediction, endurance, creativity, ranking, etc. In technical education the students' knowledge, competency and skill sets acquired to meet the graduate attributes is tested through achievement tests. Keeping the above in view, the question paper pattern shall be as follows:

- Internal Assessment(IA) Test:
  - No objective type questions.
  - The question paper shall consist of a total of 3 questions.Two10 marks questions and the students are required to answer any one full question from these two questions. One 10 marks question which is a compulsory question.
  - Each question shall have maximum of two sub divisions.
  - MCQ questions to be set for the 1 credit courses for IA test.
- Semester End Examination (SEE):
  - There are five units/modules in the syllabus.
  - Two questions are to be set from each unit with built in choice, for example Q1 or Q2 in unit –I, Q 3 or Q 4 in unit-II and so on.
  - A total of 5 full questions to be answered choosing one full question from each unit. All five units are to be answered compulsorily.
- Each question is of 20 marks with a maximum of4subdivisions.
- The Question paper is to be set for duration of 3 hours both for 3 & 4 credits courses, 2 hours for 2 credits courses and 1 hour for 1 credits course.
- The Question paper is to be set for 100 marks for 3 and 4 credits courses and 50 marks for 2 and 1 credits course.
- The question paper shall be of acceptable standard and time allotment shall be such that a student with an average writing speed must be able to manage answering all the questions along with other formalities to be completed in the

examination hall like signing the attendance, reading the QP, using of permitted data books etc.

**R4.8.9: Makeup examination:**

- Students remaining absent during SEE for a course either due to medical reason or any other unavoidable circumstances, shall be permitted to appear for makeup examination as a special case with the permission of Dean (Academic Program), by explaining the reasons with document proof.
- A student having eligible CIE marks but having obtained F-grade in any theory and all types of laboratory courses in the immediate previous SEE shall also be permitted to appear for makeup examination in that course.
- The performance of the students in the makeup examination will be one grade less than the grade obtained if they get C and higher grades. However, there is no grade reduction for the students who obtain “P” grade.
- A student can choose either makeup examination or supplementary semester examination when these two are conducted simultaneously.
- Absence in makeup examination warrants an award of F grade.
- For students with medical or genuine reason, the grade reduction may be waved off and this shall be permitted only by the Principal on recommendation of Dean (AP).

**Successive Failures and alternate course selection:**

- If a student fails in a course other than the professional core course even after four attempts, he may drop that course but shall choose an alternate course of his/her choice with the same number of credits from the pool of courses suggested by the concerned Board of Studies.
- The course so selected should not have been studied by the student or to be studied in future at higher semesters. The faculty advisor shall guide/advise the student in this regard.
- This provision is optional to the students and given only for two courses (one at a time) during the entire maximum duration of the programme.

**Backlogs**

- The students who have satisfied CIE and Attendance requirements for the course/s and obtained F grade in SEE are permitted to appear directly in ensuing examination/s as backlog paper/s.
- The students need not re-register for such course/s in the supplementary/ fast track semester.
- In case the student wishes to improve CIE/ he/she has to re-register for supplementary / fast track semester as and when offered next.
- Once eligible CIE marks are earned by the student, the same will be carried forward till he / she clears the semester end examination.

**R4.8.10: Evaluation of students in Laboratory courses, Seminar, Internship, soft skills/aptitude & Project (minor-1, minor-2, major project phase-I and major project phase-II):**

- The evaluation for the above components shall be carried out as mentioned in the respective semester scheme i.e. only CIE or CIE and SEE.
- The practical examination shall be conducted jointly by two internal examiners. A student will pick the question and complete the experiment. The change of experiment is permitted but will be evaluated for 80% of total marks.

- Every student has to take up seminar and project work of professional nature as a partial fulfillment for the award of degree.
- Every student shall give a seminar presentation on an emerging topic preferably beyond the syllabi but related to his/her branch of engineering/multidisciplinary as per the schedule announced by the department and required to submit are part or as mentioned in the respective semester scheme.
- The project guide shall assess the students in project work for 50% of marks by monitoring the work done on regular basis and a committee consisting of HoD or a senior Faculty member along with two faculty members for 50% marks towards CIE. The same is applicable to internship also.
- Every project shall be evaluated through viva voce /defense by the student before the panel of examiners using the rubrics defined by DUGC
- There is no semester end exam for seminar, softskills/aptitude, minor-1 project.
- There shall be SEE for Minor-2 project, Major project phase-I and Major Project phase-II. The Project in VI and VII semester shall be jointly examined two internal examiners. The Project and internship in 8<sup>th</sup> semester shall be jointly examined by one internal and one external examiner.
- The Rubrics for evaluation of the above-mentioned shall be as defined in the syllabus and defined by DUGC.

**R4.8.11:** CI shall award the marks to students based on their performance in IA test, CTA, for theory courses, laboratory courses, project, soft skills/aptitude and seminar.

**R4.8.12:** CI shall submit the CIE marks sheet for each course to the HOD as per the schedule mentioned in the academic calendar. HOD will forward the marks sheet to the COE after scrutiny and moderation if necessary with the consent of the CI or CI will make CIE marks entry of the courses handled using MIS software which should be endorsed by the HOD by cross check.

**R4.8.13:** COE is responsible to ensure QP setting, maintaining QP bank and the smooth conduct of IA tests, SEE, valuation of answer scripts, scheduling of showing the answer scripts to students, revaluation, and announcement of results within specified time.

**R4.8.14:** The COE is empowered to prepare all the required proforma / format/template for documentation of entire examination process and shall maintain all the documents (both confidential and otherwise).

#### **R4.9: Grading System**

**R4.9.1:** The performance in any course except audit shall be indicated using a “Letter Grading System”. The whole evaluation process is designed to meet the most fundamental requirements of fairness and justice while being responsive and transparent.

#### **R 4.9.2: Passing Standards adopting Absolute Grading**

Absolute grading is practiced in the college. The passing standards for all types of courses are as mentioned in the table below.

Evaluation Method	Passing Standard
CIE	Score: > = 40 %
SEE	Score: > = 40 %

### Grade Points Scale for Absolute Grading

Applicable for the 2021 scheme and 2022 scheme from the academic year 2023-24 onwards.

Letter grade and corresponding grade points for UG program								
Level	Outstanding	Excellent	Very Good	Good	Above Average	Average	Pass	Fail
Grade	O	A+	A	B+	B	C	P	F
Grade points	10	09	08	07	06	05	4	00
Score (Marks)	$\geq 90$	< 90 to $\geq 80$	< 80 to $\geq 70$	< 70 to $\geq 60$	< 60 to $\geq 55$	< 55 to $\geq 50$	< 50 to $\geq 40$	< 40
Range %)	90-100	80-89	70-79	60-69	55-59	50-54	40-49	0-39

- Absolute Grading is applicable to the students admitted in 2012 and later and is also applicable to the students who are re-registering for any course.
- 'F' grade stands for Fail. A student who obtains F grade has to reappear for the same course (if it is a core course or its equivalent course) in the subsequent examinations when conducted. In case of an elective course, the student shall have an option either to repeat the same course or register for any other elective course offered by the department.
- For mandatory learning courses i.e. audit courses, it is necessary requirement for the students to go through CIE and SEE. A PP / NP will be marked on the grade card. For the student to get the degree, PP is necessary for these courses.

**R4.9.3:** The makeup examination and detaining due to shortage of attendance shall not be treated as an attempt. Remaining absent to the SEE shall be treated as an attempt.

**R4.9.4:** A student who has missed quiz or IA tests for various reasons such as illness (to be certified by medical officer recognized by the college), representing the college in cultural/sports activities (but satisfies the minimum attendance requirement) may be eligible for a makeup quiz or test conducted in the department based on the recommendation of HOD and approved by Dean (Academic Program). Such students should make an appeal in writing to the Dean (AP) through HOD within one week from the date on which the quiz or test was conducted explaining the reason(s) for their absence. Applications received after the stipulated period will not be entertained under any circumstance.

**R4.9.5: Review of Grades awarded:**

Valued answer scripts of SEE / Makeup / Supplementary semester examinations are shown to the students before the announcement of the results in presence of the respective CI / valuer for clarification if any. If the students are not satisfied with the evaluation, they can apply for reevaluation by paying the prescribed fees before the last date notified by the COE.

There is no provision both for showing the answer script and reevaluation of any laboratory courses including seminar, minor-1 project, minor-2 project, major project phase-I, major project phase-II and soft skills/aptitude.

### Grace Marks:

For all UG programs a course grace of maximum 2% of the maximum marks shall be given for passing that course (Eg. for theory, if the score is 38 out of 100, then, it will be made as 40 and for laboratory courses, if the score is 19 out of 50, then, it will be made as 20) only in SEE. There is no grace marks for CIE.

### R4.9.6: Improvement of Grade:

- Improvement of grade in a particular course/laboratory is permitted through re-registration on the recommendation of mentor provided grade obtained is withdrawn before re-registration.
- Under no circumstances the grade rejected can be reclaimed.
- Improvements of grades do not apply to internship, soft skills/aptitude, projects and seminars.
- Students with backlogs are not eligible for improvement of grades.
- Re-registration for such courses could be made either in the next immediate Supplementary Semester or regular semesters of immediate next academic year provided the class timetable is accommodative.
- Grades improved shall be indicated in the grade card.
- Maximum of two courses are permitted for grade improvement in an academic year such that the total credits shall be less than the upper limit prescribed for the semester.
- All other requirements like credit limit, evaluation & assessment etc., in the semester remain same.

### R4.9.7: Performance Evaluation

- The performance of a student is measured in terms of performance indices Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) on a scale 0 to 10 for the current semester and cumulative over previous semesters from second semester onwards respectively.
- SGPA is the weighted average of the grade points obtained in all the courses registered by the student during the semester.

$$SGPA = \frac{\sum (\text{Course Credit} \times \text{GradePoints}) (\text{For all courses in that semester excluding transitional grades})}{\sum \text{Course Credit} (\text{For all courses in that semester excluding transitional grades})}$$

[This takes into account all the registered courses and grades including F grade obtained by a student in that semester].

- CGPA is the weighted average of the grade points obtained in all the courses registered by the student since the beginning of the first semester of the Program.

$$CGPA = \frac{\sum (\text{Course Credit} \times \text{GradePoints}) (\text{For all courses excluding those with F \& transitional grades until that semester})}{\sum \text{Course Credit} (\text{For all courses excluding those with F \& transitional grades until that semester})}$$

[Course(s) with F grade are not included in the calculation]

- A course is included only once in CGPA calculation and the latest performance of a student in course(s) are considered.

The following is an illustration to calculate SGPA and CGPA:

**Calculation of SGPA for I Semester**

Courses	Credits	Grade Obtained	Grade Points (GP)	$\Sigma(\text{credits} \times \text{GP})$
Course—1	4	C	5	4×5=20
Course—2	3	P	4	3×4=12
Course—3	4	B	6	4×6=24
Course—4	4	F	0	4×0=0
Course—5	4	A+	9	4×9=36
Lab-1	1	O	10	1×10=10
Lab-2	1	B+	7	1×7=7
<b>Total</b>	<b>21</b>			<b>109</b>

**SGPA for 1<sup>st</sup> Semester = 109/21 = 5.19**

**CGPA = 109/(4+3+4+4+1+1) = 109/17 = 6.41**

**At I Semester level, CGPA is not calculated.**

**Calculation of SGPA and CGPA at the end of II Semester**

Courses	Credits	Grade Obtained	Grade Points (GP)	$\Sigma(\text{credits} \times \text{GP})$
Course—1	4	C	5	4×5=20
Course—2	3	P	4	3×4=12
Course—3	3	B	6	3×6=18
Course—4	4	F	0	4×0=0
Course—5	4	A+	9	4×9=36
Lab-1	1	O	10	1×10=10
Lab-2	1	B+	7	1×7=7
<b>Total</b>	<b>20</b>			<b>103</b>

**SGPA for 2<sup>nd</sup> Semester = 103/20 = 5.15**

**CGPA = (109+103)/(17+16) = 212/33 = 6.42.**

CGPA at the end of 2<sup>nd</sup> semester is calculated by taking into consideration the courses of both 1<sup>st</sup> and 2<sup>nd</sup> semester which do not have F grade:

CGPA is calculated as per the procedure given above at the end of every semester, commencing from II semester.

- Maximum credits that can be earned in each academic year is 60 (Regular, Reregistered and backlog courses if any).  
SGPA and CGPA are normally calculated to the second decimal position, so that the CGPA, in particular can be made use of while preparing the rank list of the students performance at the college. The students appeared for examination in makeup examination, supplementary semester, and through re-registration shall not be eligible for award of rank.
- If two students get the same CGPA, while declaring the rank, the tie would be resolved by considering the number of times a student has obtained higher SGPA and if it is still not resolved, the number of times a student has obtained higher grades like S, A, B etc., would be considered.

#### **R4.9.8: Semester Grade Card:**

The semester grade card issued at the end of each semester/ Supplementary Semester will include the following information:

- Credits for each course registered and reregistered in that semester.
- Letter grade obtained in each course.
- Total credits earned by the student in the semester and SGPA.
- Total credits earned by the student since the first semester and CGPA.
- Class or division or rank obtained will not be mentioned in the Semester grade card.
- The student's status of PP / NP for mandatory courses will be reflecting in the grade card but shall not be considered in calculating the student academic performance in the semester.

#### **R4.10: Promotion to next Academic Year (Vertical Progression):**

The prescribed standards for eligibility criteria for a student to be promoted to the next academic year shall be as follows

➤ **Our college follows the VTU clause 22OB 6.4. for Vertical Progression.**

##### **22OB 6.4. Vertical Progression**

All the below clauses are subject to a maximum duration of eight years (six years for Lateral Entry Students) of the programme.

- A theory, standalone practical or Theory with practical shall be treated as a head of passing.
- The Non-credit Mandatory courses (NMCs) shall not be considered for the eligibility criterion prescribed for promotion, award of Class, calculation of SGPA and CGPA. However, a pass (PP) in these courses is mandatory before the completion of Degree.
- There shall be no restriction for promotion to 2nd semester from 1st semester.
- Students shall fulfill the attendance and CIE requirements to appear for SEE .
- Students having F grades for the courses totaling to more than 16 credits (credits for theory and practical are treated separately for vertical progression) in the 1st and 2nd semesters of the first year of the programme shall not be eligible to move to the 3rd semester (Second year) of the programme. These courses include courses marked as NE also. Out of 40 credits from I & II semesters, students have to earn minimum 24 credits to take admission to III semester i.e. 2<sup>nd</sup> year. From 3<sup>rd</sup> semester up to 7<sup>th</sup> semester, students can carry any number of backlogs. To take admission to 7<sup>th</sup> semester i.e. 4<sup>th</sup> year, students should pass all courses of 1<sup>st</sup> year i.e. I & II semesters.

#### **R4.11: Award of Class**

- If it is necessary to provide equivalence of the SGPA and CGPA with the percentages and/or class awarded as in the conventional system of declaring the results, then the following table shall be used, as per AICTE
- SDMCET Regulations Governing Academic Autonomy from 2021-22 in respect of CGPA to % Conversion as given below.
- There is no formula for the conversion of CGPA into the percentage of marks.

However, the following is the conversion of the CGPA on 10-point scale into the percentage of marks for employment / higher studies, etc.

➤ Percentage = CGPA X 10

#### **R4.12: Change of Branch**

**R4.12.1:** Students can apply for change of branch only after successfully completing the first and second semesters of first year.

**R4.12.2:** The change of branch shall be offered to the candidates, if clear vacancy exists based on the sanctioned intake.

**R4.12.3:** Students can apply for change of branch in the prescribed form available in the admission section of college office or to the VTU as and when announced giving their choices in order of preference after the declaration of second semester result or as and when notified.

**R4.12.4:** No change of branch will be affected in the first year once the student has been admitted to a particular Program. Change of branch shall be allowed only at the beginning of the 3<sup>rd</sup> semester.

**R4.12.5:** Change of branch shall be strictly based on the merit (CGPA) of the applicants. In case of tie, student with higher SGPA in first and second semester will get the preference. The merit shall be considered as indicated in R.4.9.7

**R4.12.6:** Change of branch shall be permitted subjected to the condition that the students' strength in that program shall not be less than 75% of the sanctioned intake after the change of branch is given.

#### **R4.13: Migration from Non–Autonomous Colleges**

**R4.13.1:** A student studying in a college under VTU / any other university and seeking admission to the autonomous program has to fulfill the prevailing eligibility criteria of both VTU and college to take the admission.

**R4.13.2:** They shall fulfill additional academic requirements as specified by the college based on the recommendation of DUGC.

**R4.13.3:** After taking admission to autonomous program the student is required to pass the backlog subjects carried from VTU curriculum. This shall be by appearing for the VTU examination or conducted by SDMCET, if any.

**R4.13.4:** Registration of the students from other Universities/Colleges shall be decided as per the guidelines approved by AC and VTU. Such students if admitted shall meet the prerequisite of academic program as specified by the college based on DUGC recommendation to fulfill the requirements of equivalence.

**R4.13.5:** Credits earned and grades for the successfully completed course(s) in non-autonomous pattern shall be fixed using the equivalence table given in clause R 4.9.2 table.

**R4.13.6:** Transfer from Autonomous to Autonomous college is permitted with the approval of VTU. Credits transfer of all relevant courses are considered. The DUGC can recommend to exclude or include the courses both learnt and to be learnt respectively to declare an equivalence and accumulation of total number of credits for the award of degree.

**R4.14: Award of Degree**

**R4.14.1:** A student shall be eligible for the award of degree from VTU, provided, he/she has completed all the prescribed requirements with minimum and higher passing grade in each of the courses.

**R4.14.2:** A student must have obtained 'PP' in all the specified mandatory courses.

**R4.14.3:** A student should have paid all fees and has no dues to college and satisfied all the academic requirements prescribed.

**R4.14.4:** A student should have no case of indiscipline pending against him/her.

**R4.14.5:** The degree shall be awarded to all such students who are declared eligible, with a minimum CGPA of 5.00 and will be declared as qualified by the authorities.

**R4.15: Prizes and Medals**

**R4.15.1:** Prizes and medals instituted by the college shall be awarded every year considering the suggestions of the donor and according to the norms of the college as amended by Academic Council.

**R4.15.2:** While top level performance in academics is critically important, other criteria such as conduct, character, punctuality, active participation in technical, sports, cultural activities and organizing abilities are also given consideration for the award of prizes and medals. Students involved in Malpractice cases are barred from Ranks and Awards.

**R4.16: Graduation Ceremony**

These provisions aim at facilitating the award of higher qualifications and recognition to well-performing undergraduate students of the University on their acquiring additional credits in the same time period for the programs. In adopting these provisions, the University has taken steps to ensure that the quality and standard of the Degree awards are not compromised in any way and they continue to be maintained at a high level.

- These Regulations shall be called 'VTU Regulations Governing the award of 'Honours' at B.E./B.Tech. Degree Programmes, 2019. Students can check the eligibility criteria and apply for the Award of Honours as per the circulars received by the VTU.
- Students can also refer the circular given by VTU (Circular dated: 24<sup>th</sup> July 2023: VTU/BGM/ACA/2023/2168)
- Earlier notifications of the VTU regarding the award of Honours (Circular dated 25<sup>th</sup> June 2020, VTU/BGM/OS-Aca/2020-21/962)

## Annexure-II

### Regulations Governing Award of Minor at B.E./B.Tech. Degree Programs

As per the VTU Circular dated 12<sup>th</sup> July 2022 with Ref No: VTU/BGM/BOS/SO2/2021-22/2115, has given regulations for award of Minor at B.E/B.Tech degree program. Regulations are applicable to the students of constituent colleges, affiliated colleges and autonomous colleges under the VTU.

**Preamble:** To enhance employability skills and impart deep knowledge in emerging areas that are usually not being covered in the Undergraduate Degree credit framework, AICTE has come up with the concept of ‘Minor Degree’ in emerging areas. The concept of a Minor Degree is discussed in the Approval Process Handbook (APH) for the academic session 2022-23 page no. xxiv issued by AICTE. A minor Degree will carry 18 to 20 credits in addition to the credits essential for obtaining the Under Graduate Degree in Major Discipline (i.e. 160 credits for regular students and 120 credits for lateral entry students). The Bachelor of Engineering /Bachelor of Technology (B.E./B. Tech.) with Minor program focuses on the fundamental principles of multiple Engineering disciplines, critical & analytical thinking, and the ability to develop a distinctive approach to interdisciplinary problems.

**Objectives:** The key objectives of offering B.E./B.Tech., with Minor programs are:

- To enable students to pursue an allied academic interest in contemporary areas
- To expand the domain knowledge of the students in one of the other branches of engineering.
- To provide an academic mechanism for fulfilling the multidisciplinary demands of industries.
- To increase the employability of undergraduate students keeping in view better opportunities in interdisciplinary areas of engineering & technology.
- To offer knowledge in the areas which are identified as emerging technologies/thrust areas of Engineering.
- Provides an opportunity for students to become entrepreneurs and leaders by taking a business/management minor.
- Provides an opportunity to Applicants to pursue higher studies in an interdisciplinary field of study.
- To increase the overall scope of the undergraduate degrees

**Minor Courses Syllabus:** The Board of Studies (BoS) of the University shall recommend the ONLINE courses for minor degree.
