Approval

This book “SDMCET Regulations Governing UG Programs with Academic Autonomy” containing 46 (Forty Six) number of pages is in force from August 2016 as approved in 15th Academic Council meeting.

The amendments made to few rules are approved in 19th, 21st, 23rd, 24th, 26th, 27th, 28th, 31st, 32nd and 33rd meeting of Academic Council of SDMCET, Dharwad. The recommendations of VTU (Measurement for maintenance of standards at affiliated autonomous institutions) of guidelines, 2024 are also included appropriately.

Further, any inclusion / deletion of clauses will be done through proper procedure.

PREAMBLE

Shri Dharmasthala Manjunatheshwara College of Engineering and Technology (SDMCET), Dharwad, started in 1979, is one of the acclaimed premier engineering institutions of the country. The qualified, dedicated team of competent, committed faculty members and staff has created a brand name “SDM” in the field of technical education. All the departments of the institute are constantly engaged in addressing the core academic issues pertaining to teaching, research and development pursuits in major thrust areas of present time with both sponsored research activities and external registrants for Ph.D. program have made the institution grow rich academically year by year. It is actively engaged in purposeful interaction with industries, research laboratories and other institutions of higher learning and is proud to find its alumni holding various key positions in academia, industries and corporate sectors both in India and abroad.

Education is pivotal to development of society. The role of higher education is very important for securing right kind of employment and also pursues further studies both in India and abroad. Quality education enable the students to acquire knowledge, skill and training in order to have holistic and multidisciplinary education to develop all capacities of human beings- intellectual, social, physical, emotional and moral in an integrated approach which is the essence of National Education Policy (NEP 2020).

Academic autonomy granted by VTU in 2007 has facilitated the institution to formulate the curriculum using the state of the art methodology considering the recommendations of NEP 2020 and changing technology, to adopt student centric teaching-learning process rather than teacher centric method and to practice continuous evaluation with grading system. All these have helped to create a vibrant academic ambience to implement Outcome Based Education (OBE) concept and to move towards an effective and purposeful Engineering Education.

The regulations / norms are prepared in line with AICTE and VTU guidelines to assist in practicing autonomy at SDMCET, while delivering its full benefits thereby helping to meet the 21st century challenges faced by the technical education system in the country with transparency and accountability.

College Vision and Mission

Vision:

To develop competent professionals with human values.

Mission:

1. To have contextually relevant Curricula.
2. To promote effective Teaching Learning Practices supported by Modern Educational Tools and Techniques.
3. To enhance Research Culture.
4. To involve Industrial Expertise for connecting classroom content to real life situations.
5. To inculcate Ethics and impart soft-skills leading to overall Personality Development.

SDMCET- Quality Policy

In its quest to be a role model institution, committed to meet or exceed the utmost interest of all the stake holders.

SDMCET- Core Values

- Competency
- Commitment
- Equity
- Team work and
- Trust

R1: ACADEMIC REGULATIONS

The college has been accorded autonomous status from the Academic Year 2007-08 by UGC and VTU and also institutional autonomy by VTU from 2016. The Academic Council provides the rules and regulations for the smooth conduct of academic programs with the approval of the Governing Council and shall continuously monitor the programs and makes appropriate amendments to the rules and regulations whenever required. Various committees have been constituted as per the norms and guidelines to recommend to the AC for consideration of the proposals regarding changes in the curriculum, (addition/deletion of courses, changes in the contents of syllabus and duration of instructions), assessment method/system, discipline and conduct of students.

R2: INTRODUCTION

R2.1: The regulations listed here under are common for all degree level under graduate autonomous programs offered by the college and are known as “SDMCET Regulations Governing UG programs with Academic Autonomy”.

R2.2: The regulations here under are subject to amendments from time to time, by the Academic Council of the college keeping in view the recommendations made by the Board of Studies, Joint Board of Studies, alumni and other stake holders. Further, SDMCET shall also be free to make changes in the existing degree programs with the approval by its GC, University, GOK and AICTE.

R3: ACADEMIC PROGRAMS

SDMCET is offering academic programs as mentioned in R 2.1. Further, SDMCET is free to start new Degree programs at Undergraduate (UG) and Post Graduate (PG) levels along with the existing programs with the approval of its GC, University, GOK and AICTE. In all cases, the program shall fulfill the minimum requirements regarding infrastructure, faculty members, staff, academic quality and standards of degrees specified by the University, the Council and the Commission. Further, SDMCET is free to start Certificate programs of suitable time duration in skill development to help youths of the society in getting employment with approval from its AC and GC.

R 4: TERMINOLOGY

- **Semester:** The academic year is divided into two main / regular (odd, even) semesters of duration 20 weeks each and with a summer semester of 10 weeks.
- **Course Credit:** Weighted sum of the number of Lecture hours (L), Tutorial hours (T) and Laboratory /Project (P) hours of the course.
Lecture: 1 Hr/week – 1 Credit
Tutorials: 2 Hrs/week – 1 Credit
Practical : 2 Hrs/week – 1 Credit
Technical seminar, project, internship, soft skills/aptitude, self- study: As recommended by DUGC, BOS and approved by the Academic Council. The above course credits also holds good for summer semester.
- **Credits Earned:** Total number of credits from the courses earned by the student in a semester/year on successful completion.
- **Grade:** Assessment of the students' performance in a credit course is indicated by the letters O, A+, A, B+, B, C, P, F and PP/NP Grade for mandatory non credit courses.
- **Grade point:** Number equivalent of the letter grades given by 10, 9, 8, 7, 6, 5 and 4 corresponding to grades O, A+, A, B+, B, C and P respectively. Grade F carry zero or no grade points.

R4.1: Title and duration of the Program

R4.1.1: The program is full time Bachelor Degree program in Engineering and shall be called 'Bachelor of Engineering' abbreviated as 'B.E.' with Branch of Engineering specified in parenthesis (branch of study).

R4.1.2: The duration of the program shall be of four complete academic years.

R4.1.3: The maximum period within which a student must complete a full-time degree program will be double the normal duration specified for that program i.e., 8 years for B.E program.

R4.1.4: Number of Semesters per year

Each academic year shall be divided mainly into two semesters. A semester that begins in August shall be called odd semester and the semester that begins in January as even semester. These odd and even semesters are called main / regular semesters. There shall be a summer semester of 10 weeks. The summer semester, held annually after the EVEN semester, shall comprise of 8 weeks of classes followed by 2 weeks of examinations called SEE. A limited number of courses are offered depending on the student's requirement and the faculty availability. Selected regular courses, including audit / mandatory courses, are offered during the summer semester. Since summer semester duration is about half of the main semesters, to relate the credits and the hours of course work, multiply the teaching hours per week by 2 such that the total number of hours per semester shall be same as that of Odd / Even semester.

R4.1.5: The entire B.E. program in each branch is divided into eight semesters with each semester having a total duration of 20 weeks that includes course registration, continuous internal evaluation, semester end examination and declaration of results. A vacation of two weeks after every odd semester and 10/12 weeks after every even semester shall be provided or based on the prevailing situation.

R4.1.6: Summer Semester

- i) A student is permitted to register for not more than 14 credits in UG programmes in the summer semester for course work, excluding audit / Mandatory Non-credit courses. However, there is no limit for a student to register for 'F' / 'AB' grade courses for SEE. Students are not permitted to register for project work and internship in summer semester.
- ii) Students who have 'DX' / 'NP' grades i.e. either a shortage of attendance or not having the minimum CIE or both in a course shall register for the summer semester to satisfy the minimum attendance and CIE requirements to appear for the Summer Semester End Examination (SEE).
- iii) Students with 'F' / 'AB' grade having requisite attendance and CIE in a course, but, wish to re-register to that course for better learning, can do so in the summer semester by letting go the previous CIE marks and acquiring the required attendance and CIE marks afresh.
- iv) Slow learners may opt not to register / Drop a few courses in the regular Odd/Even semesters and register those courses in the summer semester. This shall be done under guidance of the Faculty Mentors subject to the condition that the course load in every semester shall not fall below the minimum limit.
- v) Students who do not vertically progress to a higher year of study / having been completed four years of study and still have courses with 'DX' / 'NP' grades can reregister during summer semester for 'DX' / 'NP' grade courses. They can even

register for such courses in the ongoing odd / even semesters and appear for their exams in the regular odd / even SEE.

- vi) Summer Semester will be at an accelerated pace and will be at double the rate of normal semester such that a course of 4 hours per week will have 8 hours per week.

R4.2: Admission of students

R4.2.1: Admission to first semester (First Year)

Admission to all programs will be made by fulfilling the eligibility criteria in the beginning of the odd semester at the first year level based on the performance in the entrance examination (CET/COMEDK) as per the guidelines issued by the GOK and VTU from time to time. The candidate should have successfully passed PUC II or 10+2/equivalent examination with the combination of subjects mandated by the competent authority. Admissions are also offered under NRI & institution quota in accordance with the rules pertinent for such admission, issued from time to time by the GOK/competent authority.

R4.2.2: Direct Admission to Third semester i.e. Second Year (Lateral entry)

The Candidates who have passed the three year diploma examination conducted by the Directorate of Technical Education, GOK or its equivalent as recognized by the VTU are eligible for direct admission to third semester (second year) of B.E. Degree Program. The selection procedure for lateral entry shall be as per the rules stipulated by GOK from time to time. The maximum duration for laterally entered students shall be 6 years.

R4.2.3: Every under graduate student shall study first year stream/branch wise courses.

R4.2.4: The selected student will be admitted to the program after fulfillment of all admission requirements as indicated and after payment of the prescribed / approved fees. The fees charged for admission to students over the duration of the program shall be as per the norms of GOK from time to time for each category.

R4.2.5: Student having an offer of admission shall be a student of the college only after completing the admission process including the payment of prescribed fees.

R4.2.6: At any time after admission if it is found that a candidate has not fulfilled all the requirements mentioned in the offer of admission or gives false information, then the admission given by the college shall be liable for cancellation.

R4.2.7: Admission to higher semesters (years) for all programs will be made in the beginning of the odd semester on meeting the eligibility criteria for vertical progression to next year of study.

R 4.2.8: Admission to second, third Year from any other College/University as a transfer shall be as per the rules laid down by the competent authorities. However, the college shall exercise its rights to appraise the appropriateness of student admission on the basis of merit. The department DUGC prepares the list of equivalent courses. Student may have to study additional courses as per the decision of DUGC. While establishing the equivalence the course title and course contents shall be given the priority and a little deviation in credits matching shall be permitted. A copy of the resolutions of DUGC in this regard shall be marked to the office of the Dean Academic Program and CoE office.

R4.2.9: The College reserves the rights to withdraw admission of any student and ask to discontinue studies at any stage during the program on the grounds of regressive academic performance or indiscipline.

R4.3: Withdrawal /Termination

R4.3.1: Temporary Withdrawal

A student seeking temporary withdrawal is granted permission by the Principal based on the recommendation of the Dean Academic Program for withdrawal from the program for one semester / year for reasons of ill health or any other genuine reasons on the recommendation of concerned mentor, HOD and the consent of the parents with the following conditions:

- The student applies to the college within six weeks of commencement of the term or from within six weeks of his/her last attendance in class whichever is earlier, explaining the reasons for withdrawal with supporting documents and endorsement by his/her parents.
- The student shall have paid all dues to the college.
- A student shall be permitted to avail temporary withdrawal only once during the entire program duration and for a maximum duration of two semesters.
- Such student who has discontinued and readmitted will be governed by the rules and regulations, courses of study, syllabi and examination that are in force at the time of his/her rejoining the college. The joining time shall be the normal commencement of the semester term.

R4.3.2: Indefinite Withdrawal

- Any student who withdraws admission from the academic session before the closing date of admission is eligible for the refund of the deposits only. Fees once paid will not be refunded on any account even if the student has not attended a single L, T or P.
- Once the admission for the year is closed, the following conditions govern withdrawal of admissions:
 - 1) A student who wants to leave the college, will be permitted to do so (and take Transfer Certificate from the College, if needed), as per the college rules in this regard.
 - 2) A student who has received any scholarship, stipend or other forms of financial assistance from and through the College such as GATE & other Government of India scholarship shall refund the money/grant he/she received.

R4.3.3: Termination:

A student is liable for termination / expulsion from the college in the following cases:

- 1) If a student fails to complete the degree program within the specified maximum duration, he/she will be terminated from the program. However, the student can seek readmission to the first year of the program afresh.
- 2) Failure to secure a CGPA ≥ 5.00 for 2023-24 admitted students or earlier, for 2024-25 lateral entry admitted students or earlier.
- 3) Failure to secure a CGPA ≥ 4.00 from 2024-25 admitted students and from 2025-26 lateral entry admitted students.
- 4) Remaining absent from the academic activities for more than six weeks continuously in a semester without leave of absence being granted by the

competent authorities.

- 5) Failure to comply with the standards of discipline and code of conduct as prescribed by the college from time to time.

R4.4: Academic Calendar

An academic calendar depicts the academic activities and their duration for one full semester, main / regular / summer semester.

- R4.4.1:** The academic calendar is prepared by Dean Academic Program, in discussion with HODs and deans, approved by AC and will be announced to all the concerned at least two weeks prior to the commencement of the semester. The academic calendar shall be prepared ensuring that the total number of working days for academic work is ≥ 180 days / year (odd and even semesters put together).
- R4.4.2:** It is Mandatory for all the employees and students of SDMCET to austere follow the academic calendar for accomplishment of the academic activities.
- R4.4.3:** The Academic Calendar shall be strictly followed and activities such as co-curricular and extra-curricular shall not overlap or interfere with the curricular activities mentioned in the academic calendar. However, slots provision for such activities shall be considered while framing the academic calendar.
- R4.4.4:** Under unforeseen circumstances when teaching days are declared as holidays or teaching learning activities not being held for what so ever reasons, makeup classes for the days lost shall be conducted on Saturdays/Sundays and other days with an announcement in advance to the students. However, the classes shall not be conducted on general holidays declared by the Government / University.

R4.5: Registration and Re-registration

- R4.5.1:** Registration to the courses offered by the departments for the first time in an odd and even semester is automatic for all the students and shall be confirmed only after completion of admission process.
- R4.5.2:** All eligible students as per the vertical progression norms are permitted for automatic registration to the courses based on the results announced by the Controller of Examination (CoE).
- R4.5.3:** A student shall be permitted to register as per R4.5.2 for the next higher semester only upon:
- Satisfying all academic requirements to continue with the program.
 - Paying the college, library fees and any other dues if any.
 - Not being debarred from registering due to any specific reason by the institution.
- R4.5.4:** Registration in absentia through an authorized representative of the student will be considered only in exceptional cases at the discretion of Dean Academic Program.
- R4.5.5:** Diploma holders admitted under lateral entry to third semester are also eligible for automatic registration to the courses in the higher semester as per the above norms.
- R4.5.6:** There shall not be automatic registration for a course or courses in the summer semester, however, in the case of students having taken transfer from other institutions and in the case of those who are to fulfill the requirement of the equivalence by taking

additional courses as per the recommendation of DUGC shall be permitted to register for the course(s) directly in the summer semester.

- R4.5.7:** To re-register for a course, a student should have had automatic registration to the course during main / regular semester and should seek re-registration due to dropping or withdrawing of the course or DX Grade.
- R4.5.8:** Every student seeking re-registration is required to consult his/her faculty mentor to register for offered courses on or before the last date fixed for re-registration as notified in the academic calendar.
- R4.5.9:** Only those students who have paid all the dues of the previous year fixed by the college and not debarred from registration on specific grounds are permitted for automatic registration and re-registration to the courses during main and summer semesters respectively.
- R4.5.10:** A student having courses with letter grade as DX shall re-register either in the subsequent Summer Semester or regular semesters whenever those courses are offered next without crossing the upper limit and credits prescribed.
- R 4.5.11:** Re-registration involves filling up of form available in Dean Academic Program office mentioning the details of course(s).
- R4.5.12:** Student who fails to re-register for course(s) on or before the notified date shall be permitted by the college for late re- registration on another notified last date with payment of late fees as fixed by the college.
- R4.5.13:** A student can re-register for failed courses along with the automatically registered courses in a regular semester, provided the time table is accommodative and the maximum credits in that semester does not exceed 32 including the credits of courses intended for re registration and backlog courses.
- R4.5.14:** A student shall be permitted to re-register for failed courses in Summer Semester for a maximum of 16 credits including backlog courses.
- R4.5.15:** Registration for Mandatory Non credit courses, Seminar, soft skills/aptitude and Project work is not permitted in Summer Semester. However, Principal may consider registration for the above courses in the case of valid reasons and recommendation by the Dean Academic Program.
- R4.5.16:** Respective HOD's in consultation with the Dean Academic Program shall announce the list of odd and even semester courses proposed to be offered in the summer semester at least 15 days prior to the closure of even semester.
- R4.5.17: Dropping of courses:**
Students may drop the registered course(s) on or before the date indicated in the academic calendar retaining the minimum number of credits specified on the advice of Course Instructor (CI) and shall not be mentioned in the grade card. Such courses shall be re-registered whenever offered at a later time by paying the prescribed fees.
- R4.5.18: Withdrawal from courses:**
Students may withdraw from the registered course(s) on the date indicated in the academic calendar retaining the minimum number of credits specified with an intimation to CI and shall be mentioned in the grade card as grade 'W'. Such courses shall be re-registered whenever offered at a later time by paying prescribed fees.
- R4.5.19:** Registration for the courses in summer semester is applicable to all the students

irrespective of their year of admission.

R4.6: Attendance of Students

- R4.6.1:** The desirable attendance for all academic work such as theory, laboratory session, seminar, soft skills/aptitude, project, internship and any component appeared in the scheme is 100%. Up to 15% relaxation can be given due to genuine reasons. However, 85% attendance is mandatory.
- R4.6.2:** In the case of emergencies such as untoward incidents or critical illness of close relatives, the Principal may condone attendance to the extent of 10%.
- R4.6.3:** In the case of self-ill health / sickness, the student has to intimate in writing without fail. However, under serious sickness, which exceeds more than two days, a letter from parents/mentor and medical certificate from recognized hospital/Govt. hospital is essential for considering his/her absence for condoning the attendance as mentioned R.4.6.2.
- R4.6.4:** The students who are participating in technical activities, co- curricular and extra-curricular activities to represent the college and university have to obtain prior permission from the Dean Academic Program. Concerned faculty, HOD and Dean Student Welfare will forward the letter of request with their recommendation / remarks to the Dean Academic Program. But the final approval will remain only with the Dean Academic Program to recommend to the Principal.
- R4.6.5:** Students attending Training & Placement activities are required to produce attendance certificate/letter issued by the Training and Placement Officer at the college level. Further, the certificate should have the details of the progress made by the students at different levels of selection process. However, final approval will be given by the Dean Academic Program.
- R4.6.6:** In all the above cases, condoning of maximum of 10% attendance is done, provided the student has 85% attendance during the period he/she has been attending the academic work.
- R4.6.7:** Apart from the above mentioned reasons, Principal is empowered to suitably condone the absence of a student on the recommendations of HOD and Dean Academic Program with proper proof in the case of any unavoidable exigencies.
- R4.6.8:** Students may be informed of the attendance status periodically and shall be cautioned to makeup the shortage if any. A student having shortage of attendance in any course(s) can withdraw from such courses (retaining minimum number of credits in the semester as per regulation) with a mention “W” in the Grade Card.

R4.7: Curricula and Syllabi

The institution shall consider curriculum frame work as an important phase in setting the right direction for a program by taking into account the type, quantum of knowledge and skill sets necessarily to be acquired by the student to qualify for the award of degree in his / her chosen branch or subject area. Besides, it helps in assigning the credits for each course, the spreading of the courses over the semesters to accumulate finally total number of credits for the award of the degree.

- R4.7.1:** Every program shall have a curricula and syllabi as recommended by the BOS and

approved by AC.

R4.7.2: The medium of instruction for all courses, any academic work and examination shall be English except for Kannada course as mentioned in the scheme.

R4.7.3: Choice based credit system (CBCS) is adopted in the college. Total credits in a semester may range from 16 to 30 credits. However, for VIII semester, the total credits shall be less than 16 as per the approval of the Academic Council.

R4.7.4: Requirement for conferment of a particular degree is measured in terms of credits obtained. A student earns the obligatory credits for a particular course by fulfilling the academic requirements viz. attendance, evaluation etc., prescribed in the regulation document. Both regular and year lost students taking admission at the commencement of the academic year (for any odd semester) have to study the existing scheme of study.

R4.7.5: The types of courses offered are Theory, Laboratory, Integrated Theory & Laboratory, Technical Seminar, Independent study, Project, internship, soft skill/aptitude, self-study, mandatory non credits courses and audit courses, an induction program in the beginning of 1st semester UG program and AICTE activity points to be earned by the students between I and VIII semesters. Theory courses involve Lecture(L)&/or Tutorial(T) &/or integrated practical hours. Laboratory courses (P) involve practical sessions. A student has to work in Laboratory/Drawing hall/ Workshop during this period. The performance of the students in all these will be indicated in grade card. Practical training in industry for short duration, visit to industry for short duration, study tour, guest lectures etc., are only value addition activities. The performance of the students in activities whichever are not mentioned in the scheme of teaching and examination will not be indicated in grade card and shall not carry any credits.

R4.7.6: Basic Science Core Courses (around 13% of total credits):

Every student has to undergo these courses in the first year of study. These Courses are Physics, Chemistry and Mathematics which help in building the scientific foundation needed for engineering education. Basic science departments in consultation with engineering departments design/decide the curriculum for these courses which in turn is expected to help the students in application of their knowledge in the respective branch of engineering.

R4.7.7: Humanities and Social Sciences (around 7% of total credits):

These courses are required to study the human behavior and interaction in social, cultural, ethical, environmental, economic, managerial, political etc., contexts. Courses in the area of Management, Economics, Soft skills, Aptitude, Functional English, regional language (Kannada), Universal Human Values course etc., are required to enable students to realize the real world scenario and get acquainted with it. These courses are also considered important and special emphasis shall be given. The respective Board of Studies will recommend the syllabus for these courses.

R4.7.8: Engineering Science Core Courses (around 11% of total credits):

Every student has to undergo subjects related to the basic requirement of industries / related sectors that builds the fundamental concepts of overall engineering and includes

basic engineering concepts of Electrical, Electronics, Civil, Mechanical engineering and fundamental knowledge of Computer Programming. Respective departments will design/ update the curriculum for these courses keeping in view the present requirement of the industry and future challenges / opportunities.

R4.7.9: Professional Core Courses (around 35% of total credits):

These courses are related to the branch of study and cover fundamental concepts, courses to study in depth about the stream of engineering and applications. These courses shall also guide for research and development in the selected branch of study. Each DUGC is expected to frame the curriculum, syllabi and credits to be offered in each course, subjected to approval of respective BOS and AC. Each department shall design the curriculum and implement the same keeping in view the recommendations of NEP 2020 and Outcome Based learning to ensure the quality of teaching and learning process.

R4.7.10: Professional Elective Courses (Around 11% of total credits):

These courses enhance the depth and breadth of the educational experience in the selected branch of study and it is obligatory for each department to offer the elective courses to the students from time to time taking into consideration the specialization, immediate industrial necessities and changing technology.

R4.7.11: Inter-disciplinary (open) Elective courses (Around 11% of total credits):

Departments can offer inter-disciplinary (open) elective courses common to students of two or more departments so as to benefit the students at large enabling them to be trained in multidisciplinary domain.

R4. 7.12: Ability Enhancement courses (Around 3% of the total credits):

The Ability Enhancement courses are included for knowledge enhancement. The courses include from technical, emerging arts, commerce and Science.

R4.7.13: Projects (Minor and major), soft skills/aptitude, internship, Seminar, independent study etc.: (Around 12% of total credits):

All projects mentioned in the scheme is for partial fulfillment of the requirement for the specified degree program; each student is required to carry out a project work under the guidance of faculty member(s). Project should be based on the application of knowledge acquired by the student having undergone various theory and the laboratory courses. Students are encouraged to refer the technical journals for selection of topic for the project. Students are expected to use their analytical, practical and software skills in realizing the project work. The students are expected to give seminar and undergo internship in industry / R&D / teaching institute of high repute for the specified period in the scheme as recommended by BoS and approved by the AC. The number of students in a batch shall be not more than 4 students. The team/group/batch formation shall be decided by the DUGC based on suitable criteria as decided by the DUGC to see that all students in the group will contribute for the implementation of the project and each group will be guided by a faculty member.

R4.7.14: Mandatory Non Credit Courses:

Constitutions of India, Communication skills, Professional ethics, environmental science, Universal Human values, Regional languages, Yoga, Physical Education, NSS etc., are mandatory non credit courses. These are audit courses

and are conducted with a provision of time slots in the time table. Every student has to register for these courses and complete satisfactorily by securing “PP” grade failing which “NP” grade will be assigned. These grades shall reflect in the grade card. But, these shall not be taken into account in determining the student’s academic performance in the semester.

R4.7.15: Audit Courses:

A student desirous of additional exposure to a course, without the rigors of obtaining a good grade, ‘audits’ a course. The minimum requirement of attendance for an ‘Audit Course’ is 85%, with any additional requirements as set by the instructor such as submission of assignments and minimum performance in some of the in-semester evaluations and there is no SEE for these courses. Auditing of course during regular semesters from 3rd semester onwards is permitted under the following conditions:

- i) Students with $CGPA \geq 6.0$ will be permitted to ‘Audit’ a course. A course can be audited provided the course is offered in the semester as a credit course for others, and there is no slot clash. Prior permission of the course instructor is required.
- ii) Audit courses would be restricted to a maximum of four (4) courses per student in the entire period of the programme.
- iii) The Course Teacher would award the ‘AU’ grade, if the attendance is satisfactory and additional requirements, as set out by the Course Teacher, are met. If the attendance and performance in additional requirements is not satisfactory, the Course Teacher will award ‘No Grade’. The grade, ‘AU’ does not carry any grade points and therefore does not figure in SGPA / CGPA calculations.
- iv) The course successfully completed in Audit mode will be reflected in the Semester Grade card and the Transcript as Audit Course. If this practice is followed, it may not be necessary for the Autonomous College to issue to the student any other transcript covering the audit courses.

R4.7.16: AICTE Activity Points: Apart from the technical and professional skills, the students are required to involve in carrying out community and allied activities to assert that Engineers have an obligation to serve the society. Every student who is admitted for 4 years program, is required to earn 100 activity points. The lateral entry students are required to earn 75 activity points. Suggested to refer to AICTE website for the detailed objectives, number of activity points, number of hours, list of activities etc., for proper implementation. There are no credits for the activities, but for the award of the degree, it is necessary for every student to submit a certificate in the specified format about the activities carried out and activity points earned. This certificate needs to be submitted to VTU through the office of CoE. Further, the documentation for having carried out the activities need to be maintained in the respective Departments.

R4.7.17: Induction Program:

The students admitted to first year are driven by their parents and society to join engineering without understanding their interests and talents. As a result most of the

students fail to link up with the goals of their institution. Therefore to help the students from diverse thoughts and backgrounds, three weeks induction program is conducted in the beginning of the program to develop well trained manpower with a feeling of responsibility towards oneself, one's family and society. This will help the students to adjust to new environment, open up, set a healthy routine and create bonding in the batch as well as between the faculty and students, develop awareness, sensitivity, understand self, society and nature and inculcate the ethos of the institution with a sense of larger purpose. It is mandatory for all the I Year students to undergo 3 week induction program in the beginning of 1st semester or as instructed by the VTU.

R4.7.18: Industrial Training/visit to industry:

As part of the specified degree program, Departments along with CIII (Centre for Industry Institution Interface) are expected to collaborate with industries to expose the students to industrial environment and also arrange visits to the industries. Such visits could be arranged during vacation only.

R4.8: Assessment of students

R4.8.1: A student needs to earn 160 credits (120 credits for lateral entry students) as the requirement for the conferment of BE degree.

R4.8.2: The institution can amend the structure of CIE and SEE in each semester keeping the weightage proportion unaltered or on need base with approval of AC.

R4.8.3: The assessment of theory course is as follows:

The evaluation for theory courses shall be carried out as per the scheme of teaching and examination of respective semester mentioned in syllabus book. The theory courses have CIE and SEE.

- Theory courses are evaluated through CIE and SEE. The relative weightage for CIE and SEE is 50% each. Further, CIE is having two components viz., Internal Assessment (IA) and Course Teacher Assessment (CTA). The weightage for IA and CTA is 80% and 20% respectively.
- IA (one component of CIE) and SEE are written examinations and shall be conducted centrally by the office of CoE.
- IA and SEE are conducted as per the academic calendar.
- IA for each theory course shall be of one hour duration with a maximum of 20 marks. IA-I and IA-II are compulsory and IA-III shall be an improvement test and is open to all.
- CTA includes classroom interaction, announced & unannounced quiz, assignments, case studies, term papers, presenting papers in seminar/conferences of at least national level, publishing paper in journals, appearing for online course, open book test, course seminar and it shall be decided by the CI. The CTA should have two components of suitable weightage. For open book test the CI is required to inform the Dean Academic Program about the modalities followed to conduct open book test.
- Integrated theory shall include laboratory component under CTA. The experiments to be conducted shall be decided by the CI. Guidelines for marks distribution to regularity, performance, journal writing etc shall be decided by Dean Academic Program.

- SEE for theory courses shall be of one/ two /three hours duration depending on the number of credits with a maximum of 50 / 100 marks for each theory course.
- Detailed SEE time table shall be displayed at least two weeks prior to the commencement of SEE by the COE.

R.4.8.4: The assessment of laboratory courses:

- The evaluation for laboratory courses shall be carried out as per the scheme of teaching and examination of respective semester mentioned in syllabus book.
- The laboratory courses have CIE and SEE.
- CIE for laboratory courses shall be broadly based on routine performance, preparedness, regularity, overall understanding of the experiment, writing journals/reports/drawings, interaction/involvement during the course of working on setup, test conducted at the end etc., It shall be devised by the respective Course Instructors keeping transparency intact pending approval by the DUGC.
- CI shall provide the details of mode of conducting the experiments and performance assessment in the laboratory course.
- For each student, it is mandatory to maintain and submit laboratory journal, drawing sheets, related records / reports in the prescribed format at the end of the semester within date announced by the department.
- The SEE for laboratory courses shall be conducted jointly by two internal examiners. A student will pick the question blindly from pool of questions given by the examiners and complete the experiment. The change of experiment is permitted but will be evaluated for 80% of total marks.

R.4.8.5: The assessment of projects courses:

- The evaluation for project courses shall be carried out as per the scheme of teaching and examination of respective semester mentioned in syllabus book. The project courses include CIE and SEE.
- CIE for project shall be broadly based on routine performance, preparedness, regularity, overall understanding of the project, writing reports/drawings, interaction/involvement during the course of working on setup, building a project model, performance in regular reviews of project work progress etc., and shall be devised by the faculty coordinators for projects keeping transparency intact pending approval by the DUGC.
- The faculty coordinators shall provide the details of mode of conducting the performance assessment in the project course.
- The project guide shall assess the students in project work for 50% of CIE marks by monitoring the work done on regular basis. A committee consisting of HoD or a senior Faculty member along with two faculty members shall evaluate for 50% of CIE marks.
- In SEE every student shall be evaluated through viva voce /defense by the student before the panel of two internal examiners. The rubrics for the same is defined by DUGC for the purpose.
- The Project in VI and VII semester shall be jointly examined by two internal examiners in SEE. The Project in 8th semester shall be jointly examined by one internal and one external examiner in SEE.
- For each student, it is mandatory to maintain and submit project report both in soft and hard form in the prescribed format at the end of the semester within date announced by the department.

R.4.8.6: The assessment of seminar courses:

- Every student shall give a seminar presentation on an emerging topic preferably beyond the syllabi but related to his/her branch of engineering/multidisciplinary.
- The seminar courses are evaluated with CIE only.
- The project guide will give guidance to the student in selecting the topic and preparing the report.
- The evaluation for seminar courses shall be carried out as per the scheme of teaching and examination of respective semester mentioned in syllabus book.
- The schedule for seminar presentation and evaluation shall be announced by the department.
- The CIE shall be conducted jointly by two internal examiners.
- The Rubrics for evaluation shall be as defined by DUGC.
- For each student, it is mandatory to maintain and submit the seminar report both in soft and hard form in the prescribed format within date announced by the department.

R.4.8.7: The assessment of internship courses:

- Students must undergo an internship in private industries, R&D organizations, Center of Excellence, laboratories of reputed institutions, Government and semi-government organizations, PSUs, construction companies, or entrepreneurial organizations to gain exposure to the external and real time professional environment.
- The evaluation for internship courses shall be carried out as per the scheme of teaching and examination of respective semester mentioned in syllabus book.
- The project guide shall monitor the performance and progress of the student from time to time. The project guide shall award CIE marks. The Rubrics for evaluation will be decided by DUGC.
- SEE for internship will be in VIII semester. It shall be jointly examined by one internal and one external examiner in SEE.
- It is mandatory for each student to maintain and submit internship report in the prescribed format at the end of the semester within date announced by the department.

R4.8.8: The assessment of other courses:

- The evaluation for Mandatory non credit courses / softskills / aptitude / shall be carried out as per in the scheme of teaching and examination of respective semester mentioned in syllabus book.

R4.8.9: It is compulsory for the students to attend / undergo all components of evaluation such as IA, SEE, Laboratory, project, internship examinations for the courses as prescribed and conducted.

R4.8.10: Credits for a course will be awarded only if the student satisfies the minimum attendance requirements and acquires the necessary passing grades both in CIE and SEE for that course. No credits are awarded if the student remains absent in SEE even though he/she having met the minimum attendance requirements and scored qualifying marks in CIE.

R4.8.11: CI shall award marks to students based on their performance in IA test, CTA, for theory courses, laboratory courses, project, soft skills/aptitude and seminar.

R4.8.12: CI shall submit the CIE marks sheet for each course to the HOD as per the schedule mentioned in the academic calendar. HOD will forward the marks sheet to the COE after scrutiny and moderation if necessary with the consent of the CI or notification in this regard by the office of HoI.

R4.8.13: Question paper setting:

- Question papers (QP) for IA shall be set by the concerned CI and the quality of IA question papers shall be ascertained by DUGC / Dept. IQAC.
- Question papers for SEE shall be set by the concerned CI and also by an external faculty.
- BOE comprising external and internal members will scrutinize the question papers for the quality and standards in all respects.
- Question paper for practical / project work / drawing/internship/soft skills /aptitude or any laboratory nature courses shall be jointly set by both the internal examiners or internal and external for VIII semester project / internship.
- The question papers shall be designed both for CIE and SEE keeping in view the achievement testing with different levels that contribute to the attainment of course outcomes with defined program outcomes (Graduate attributes).
- The CI shall adhere to the instructions issued at the time of QP setting by the Dean Academic Program and COE to ensure the implementation of Outcome Based Education and thereby meeting the defined Graduate attributes / program outcomes.

R4.8.14: Question paper pattern:

An examination shall have different objectives like testing for the achievement, prediction, endurance, creativity, ranking, etc. In technical education the students' knowledge, competency and skill sets acquired to meet the graduate attributes is tested through achievement tests. Keeping the above in view, the question paper pattern shall be as follows:

- Internal Assessment(IA):
 - No objective type questions.
 - The question paper shall consist of a total of 3 questions of 10 marks each. One 10 marks question is a compulsory. The students are required to answer any one full question from the remaining two questions.
 - Each question shall have maximum of two sub divisions each carrying 10 marks.
 - MCQ questions to be set for the 1 credit courses for IA.
- Semester End Examination (SEE):
 - There are five units in the syllabus for each theory course.
 - Two questions are to be set from each unit with built in choice, for example Q1 or Q2 in unit –I, Q 3 or Q 4 in unit-II and so on.
 - A total of 5 full questions to be answered choosing one full question from each unit. All five units are to be answered compulsorily.
- Each question carry 20 marks with a maximum of 4 subdivisions.
- The Question paper is to be set for duration of 3 hours both for 3 & 4 credits courses, 2 hours for 2 credits courses and 1 hour for 1 credit course.
- The Question paper is to be set for 100 marks for 3 and 4 credits courses and 50 marks for 2 and 1 credit course.
- The question paper shall be of acceptable standard and time allotment shall be such that a student with an average writing speed must be able to manage

answering all the questions along with other formalities to be completed in the examination hall like signing the attendance, reading the QP, using permitted data books etc.

R4.8.15 : Semester End Examination:

- The Semester End Examination (SEE) for all the courses shall be carried out as per the scheme of teaching and examination of respective semester mentioned in syllabus book.
- Students with eligible CIE marks and attendance are permitted to write the SEE. The detained students list will be prepared by the respective CI and duly verified by DUGC. It has to be signed by CI and HOD. The same will be submitted to COE through the office of Dean Academic Program.

R4.8.16: Makeup examination:

- Students remaining absent during SEE for a course either due to medical reason or any other unavoidable circumstances, shall be permitted to appear for makeup examination as a special case with the permission of Dean Academic Program, by explaining the reasons with document proof.
- A student having eligible CIE marks but having obtained F-grade in any courses in the immediate previous SEE shall also be permitted to appear for makeup examination in that course.
- The performance of the students in the makeup examination will be one grade less than the grade obtained if they get C and higher grades. However, there is no grade reduction for the students who obtain “P” grade.
- A student can choose either makeup examination or summer semester examination when these two are conducted simultaneously.
- Absence in makeup examination warrants an award of F grade.
- For students with medical or genuine reason, the grade reduction may be waved off and this shall be permitted only by the Principal on recommendation of Dean Academic Program.

R.4.8.17: Successive Failures and alternate course selection:

- If a student fails in a course other than the professional core course even after four attempts, he may choose an alternate course of his/ her choice with the same number of credits from the pool of courses suggested by the concerned Board of Studies.
- The course so selected should not have been studied by the student or to be studied in future at higher semesters. The faculty advisor shall guide/advise the student in this regard.
- This provision is optional to the students and given only for two courses (one at a time) during the entire maximum duration of the programme.

R.4.8.18: Backlog:

- The students who have satisfied CIE and attendance requirements for the course/s and obtained F grade in SEE are permitted to appear directly in ensuing examination/s as backlog paper/s.
- The students need not re-register for such course/s in regular semester or summer

semester.

- In case the student wishes to improve CIE, he/she has to re-register in regular semester or summer semester as and when the course is offered next. However, the CIE earned earlier stands cancelled.
- Once eligible CIE marks are earned by the student, the same will be carried forward till he / she clears the SEE.

R4.8.19: COE is responsible to ensure QP setting, maintaining QP bank and the smooth conduct of IA, SEE, valuation of answer scripts, scheduling of showing the answer scripts to students, revaluation, and announcement of results within specified time.

R4.8.20: The COE is empowered to prepare all the required proforma / format/template for documentation of entire examination process and shall maintain all the documents (both confidential and otherwise).

R4.9: Grading System

R4.9.1: The performance in any course except mandatory non credit courses and audit courses shall be indicated using a Letter Grading System. The whole evaluation process is designed to meet the most fundamental requirements of fairness and justice while being responsive and transparent.

R 4.9.2: Passing Standards in Absolute Grading

Absolute grading is practiced in the college. The passing standards for all types of courses are as mentioned in the table below.

Evaluation Method	Passing Standard
CIE	Score: $\geq 40\%$
SEE	Score: $\geq 40\%$

Grade Points Scale for Absolute Grading

Applicable for the 2021 scheme and 2022 scheme from the academic year 2023-24 onwards.

Letter grade and corresponding grade points for UG program								
Level	Outstanding	Excellent	Very Good	Good	Above Average	Average	Pass	Fail
Grade	O	A+	A	B+	B	C	P	F
Grade points	10	09	08	07	06	05	4	00
Score (Marks)	≥ 90	< 90 to ≥ 80	< 80 to ≥ 70	< 70 to ≥ 60	< 60 to ≥ 55	< 55 to ≥ 50	< 50 to ≥ 40	< 40
Range %)	90-100	80-89	70-79	60-69	55-59	50-54	40-49	0-39

Additional letter grades awarded under special circumstances are (specified briefly as, Letter Grade: Grade Point – Circumstances):

- DX: O – Attendance below 85% or not having minimum CIE, Credits are not included in CGPA, hence Repeat the course (In case of electives, course change is permitted),
- AB: O – Absent for a Course in SEE,

- iii) AU: O Satisfactory performance in an Audit course,
- iv) PP: O Passed in Non-credit course,
- v) NP: O Not passed in Non-credit course.

The Transitional Grades 'I' and 'X' would be awarded by the teachers in the following cases. These would be converted into one or the other of the letter grades (O-F) after the student completes the course requirements.

- i) Grade 'I': To a student having satisfactory attendance at classes and meeting the passing standard at CIE, but remained absent from SEE for valid and convincing reasons acceptable to the HEI, like:
 - (a) Illness or accident, which disables him / her from attending SEE.
 - (b) A calamity in the family at the time of SEE, which requires the student to be away from the College.
 - (c) Any other verifiable exigency.
- ii) Grade 'X': To a student having high CIE rating ($\geq 90\%$) in a course, but SEE performance observed to be poor, which could result in an overall 'F' Grade in the course.
 - Absolute Grading is applicable to the students admitted in 2012 and later and is also applicable to the students who are re-registering for any course.
 - 'F' grade stands for Fail. A student who obtains F grade has to reappear for the same course in the subsequent examinations when conducted. In case of an elective course, the student shall have an option either to repeat the same course or register for any other elective course offered by the department. Such student has to obtain satisfactory CIE and attendance requirement to become eligible to write SEE.
 - For mandatory non credit courses, it is necessary for the students to undergo CIE. A PP / NP will be marked in the grade card. For the student to get the degree, PP is necessary for these courses.

R4.9.3: The makeup examination and detaining due to shortage of attendance shall not be treated as an attempt. Remaining absent to the SEE shall be treated as an attempt.

R4.9.4: A student who has missed quiz or IA for various reasons such as illness (to be certified by medical officer recognized by the college), representing the college in cultural/sports activities (but satisfies the minimum attendance requirement) may be eligible for a makeup quiz or test conducted in the department based on the recommendation of HOD and approved by Dean Academic Program. Such students should make an appeal in writing to the Dean Academic Program through HOD within one week from the date on which the quiz or test was conducted explaining the reason(s) for their absence. Applications received after the stipulated period will not be entertained under any circumstance.

R4.9.5: Review of Grades awarded:

Valued answer scripts of SEE / Makeup / Summer semester examinations are shown to the students before the announcement of the results by the respective CI / valuer for

clarification if any. If the students are not satisfied with the evaluation, they can apply for revaluation by paying the prescribed fees before the last date notified by the COE.

There is no provision both for showing the answer script and revaluation of any laboratory courses, seminar, projects and soft skills/aptitude.

R4.9.6.: Grace Marks:

For all courses grace of upto 2% of the maximum marks shall be given for passing that course (Eg. for theory, if the score is 38 out of 100, then, it will be made as 40 and for laboratory courses, if the score is 19 out of 50, then, it will be made as 20) only in SEE.

There is no grace marks for CIE.

R4.9.7: Improvement of Grade:

- Improvement of grade in a particular course/laboratory is permitted through re-registration on the recommendation of mentor provided the grade obtained is withdrawn before re-registration.
- Under no circumstances the rejected grade can be reclaimed.
- Improvements of grades do not apply to internship, soft skills/aptitude, projects and seminars.
- Students with backlogs are not eligible for improvement of grades.
- Re-registration for such courses could be made either in the next immediate Summer Semester or regular semesters of immediate next academic year provided the class timetable is accommodative.
- Grades improved shall be indicated in the grade card.
- Maximum of two courses are permitted for grade improvement in an academic year such that the total credits shall be less than the upper limit prescribed for the semester.
- All other requirements like credit limit, evaluation & assessment etc., in the semester remain same.

R4.9.8: Performance Evaluation

- The performance of a student is measured in terms of performance indices Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) on a scale 0 to 10 for the current semester and cumulative over previous semesters from second semester onwards respectively.
- SGPA is the weighted average of the grade points obtained in all the courses registered by the student during the semester.

$$SGPA = \frac{\sum (\text{Course Credit} \times \text{GradePoints}) (\text{For all courses in that semester excluding transitional grades})}{\sum \text{Course Credit} (\text{For all courses in that semester excluding transitional grades})}$$

[This takes into account all the registered courses and grades including F grade obtained by a student in that semester].

- CGPA is the weighted average of the grade points obtained in all the courses registered by the student since the beginning of the first semester of the Program.

$$\text{CGPA} = \frac{\Sigma (\text{Course Credit} \times \text{GradePoints}) (\text{For all courses excluding those with F \& transitional grades until that semester})}{\Sigma \text{Course Credit} (\text{For all courses excluding those with F \& transitional grades until that semester})}$$

[Course(s) with F grade are not included in the calculation]

- A course is included only once in CGPA calculation and the latest performance of a student in course(s) are considered.

The following is an illustration to calculate SGPA and CGPA:

Calculation of SGPA for I Semester

Courses	Credits	Grade Obtained	Grade Points (GP)	$\Sigma(\text{credits} \times \text{GP})$
Course—1	4	C	5	$4 \times 5 = 20$
Course—2	3	P	4	$3 \times 4 = 12$
Course—3	4	B	6	$4 \times 6 = 24$
Course—4	4	F	0	$4 \times 0 = 0$
Course—5	4	A+	9	$4 \times 9 = 36$
Lab-1	1	O	10	$1 \times 10 = 10$
Lab-2	1	B+	7	$1 \times 7 = 7$
Total	21			109

SGPA for 1st Semester = $109/21 = 5.19$

CGPA = $109/(4+3+4+4+1+1) = 109/17 = 6.41$

At I Semester level, CGPA is not calculated.

Calculation of SGPA and CGPA at the end of II Semester

Courses	Credits	Grade Obtained	Grade Points (GP)	$\Sigma (\text{credits} \times \text{GP})$
Course—1	4	C	5	$4 \times 5 = 20$
Course—2	3	P	4	$3 \times 4 = 12$
Course—3	3	B	6	$3 \times 6 = 18$
Course—4	4	F	0	$4 \times 0 = 0$
Course—5	4	A+	9	$4 \times 9 = 36$
Lab-1	1	O	10	$1 \times 10 = 10$
Lab-2	1	B+	7	$1 \times 7 = 7$
Total	20			103

SGPA for 2nd Semester = $103/20 = 5.15$

CGPA = $(109+103)/(17+16) = 212/33 = 6.42$.

CGPA at the end of 2nd semester is calculated by taking into consideration the courses of both 1st and 2nd semester which do not have F grade:

CGPA is calculated as per the procedure given above at the end of every semester, commencing from II semester.

- Maximum credits that can be earned in each academic year is 60 (Regular, Reregistered and backlog courses if any).
SGPA and CGPA are normally calculated to the second decimal position, so that

the CGPA, in particular can be made use of while preparing the rank list of the students performance at the college. The students appeared for courses in makeup examination, summer semester, and through re-registration shall not be eligible for the award of rank.

- While declaring the rank, if two students get the same CGPA, the tie would be resolved by considering the number of times a student has obtained higher SGPA and if it is still not resolved, the number of times a student has obtained higher grades like O, A+, A, etc., would be considered.

R4.9.9: Semester Grade Card:

The semester grade card issued at the end of each semester/ Supplementary Semester will include the following information:

- Credits for each course registered and reregistered in that semester.
- Letter grade obtained in each course.
- Total credits earned by the student in the semester and SGPA.
- Total credits earned by the student since the first semester and CGPA.
- Class or division or rank obtained will not be mentioned in the Semester grade card.
- The student's status of PP / NP for mandatory non credit courses will be reflecting in the grade card but shall not be considered in calculating the student academic performance in the semester.

R4.10: Promotion to next Academic Year (Vertical Progression):

The prescribed standards for eligibility criteria for a student to be promoted to the next academic year shall be as follows

➤ **Our college follows the VTU clause 22OB 6.4. for Vertical Progression.**

22OB 6.4. Vertical Progression

All the below clauses are subject to a maximum duration of eight years (six years for Lateral Entry Students) of the programme.

- A theory, standalone practical or Theory with practical shall be treated as a head of passing.
- The Mandatory Non credit courses and audit courses shall not be considered for the eligibility criterion prescribed for promotion, award of Class, calculation of SGPA and CGPA. However, a pass (PP) in these courses is mandatory before the completion of Degree.
- There shall be no restriction for promotion to II semester from I semester.
- Students shall fulfill the attendance and CIE requirements to appear for SEE .
- Students having F grades for the courses totaling to more than 16 credits (credits for theory and practical are treated separately for vertical progression) in the I and II semesters of the first year of the programme shall not be eligible to move to the III semester (2nd year) of the programme. These courses include courses marked as DX also. Out of 40 credits from I & II semesters, students have to earn minimum 24 credits to take admission to III semester i.e. 2nd year. From III semester up to VII semester, students can carry any number of backlogs. To take admission to VII semester i.e. 4th year, students should pass all courses of 1st year i.e. I & II semesters.

R4.11: Award of Class

- If it is necessary to provide equivalence of the SGPA and CGPA with the percentages and/or class awarded as in the conventional system of declaring the results, then the following procedure shall be used, as per AICTE.
- SDMCET Regulations Governing UG Programs with Academic Autonomy from 2021-22 in respect of CGPA to % Conversion as given below.
- There is no formula for the conversion of CGPA into the percentage of marks. However, the following is the conversion of the CGPA on 10-point scale into the percentage of marks for employment / higher studies, etc.
- $\text{Percentage} = \text{CGPA} \times 10$

R4.12: Change of Branch

R4.12.1: Students can apply for change of branch only after successfully completing the first and second semesters of first year.

R4.12.2: The change of branch shall be offered to the candidates, if clear vacancy exists based on the sanctioned intake.

R4.12.3: Students can apply for change of branch in the prescribed form available in the admission section of college office or to the VTU as and when announced giving their choices in order of preference after the declaration of second semester result or as and when notified.

R4.12.4: No change of branch will be affected in the first year once the student has been admitted to a particular Program. Change of branch shall be allowed only at the beginning of the 3rd semester.

R4.12.5: Change of branch shall be strictly based on the merit (CGPA) of the applicants. In case of tie, student with higher SGPA in first and second semester will get the preference. The merit shall be considered as indicated in R4.9.8.

R.7.2: These Regulations should be read as a whole for the purpose of any interpretation.

R.7.3: In case of any doubt or ambiguity in the interpretation of the above Regulations the decision of the Principal is final.

R.7.4: The college may change or amend these Regulations at any time and the changes or amendments made shall be applicable with effect from the date notified by the college.

Annexure-I
Regulations Governing the Degree of the Award of 'Honours' at B.E./ B.Tech. Degree Programmes

As per the VTU, Regulations governing the award of 'Honours' at B.E. / B.Tech., degree programmes have been framed in pursuance of the provisions for this qualification in AICTE model curriculum for undergraduate programs in Engineering and Technology, Vol. I and II, January 2018 and in the UGC Notification on the Specification of Degrees, March 2014. These provisions aim at facilitating the award of higher qualifications and recognition to well-performing undergraduate students of the University on their acquiring additional credits in the same time period for the programs. In adopting these provisions, the University has taken steps to ensure that the quality and standard of the Degree awards are not compromised in any way and they continue to be maintained at a high level.

- These Regulations shall be called 'VTU Regulations Governing the award of 'Honours' at B.E./B.Tech. Degree Programmes, 2019. Students can check the eligibility criteria and apply for the Award of Honours as per the circulars received by the VTU.
- Students can also refer the circular given by VTU (Circular dated: 24th July 2023: VTU/BGM/ACA/2023/2168)
- Earlier notifications of the VTU regarding the award of Honours (Circular dated 25th June 2020, VTU/BGM/OS-Aca/2020-21/962)

Annexure-II

Regulations Governing Award of Minor at B.E./B.Tech. Degree Programs

As per the VTU Circular dated 12th July 2022 with Ref No: VTU/BGM/BOS/SO2/2021-22/2115, has given regulations for award of Minor at B.E./B.Tech degree program. Regulations are applicable to the students of constituent colleges, affiliated colleges and autonomous colleges under the VTU.

Preamble: To enhance employability skills and impart deep knowledge in emerging areas that are usually not being covered in the Undergraduate Degree credit framework, AICTE has come up with the concept of ‘Minor Degree’ in emerging areas. The concept of a Minor Degree is discussed in the Approval Process Handbook (APH) for the academic session 2022-23 page no. xxiv issued by AICTE. A minor Degree will carry 18 to 20 credits in addition to the credits essential for obtaining the Under Graduate Degree in Major Discipline (i.e. 160 credits for regular students and 120 credits for lateral entry students). The Bachelor of Engineering /Bachelor of Technology (B.E./B. Tech.) with Minor program focuses on the fundamental principles of multiple Engineering disciplines, critical & analytical thinking, and the ability to develop a distinctive approach to interdisciplinary problems.

Objectives: The key objectives of offering B.E./B.Tech., with Minor programs are:

- To enable students to pursue an allied academic interest in contemporary areas
- To expand the domain knowledge of the students in one of the other branches of engineering.
- To provide an academic mechanism for fulfilling the multidisciplinary demands of industries.
- To increase the employability of undergraduate students keeping in view better opportunities in interdisciplinary areas of engineering & technology.
- To offer knowledge in the areas which are identified as emerging technologies/thrust areas of Engineering.
- Provides an opportunity for students to become entrepreneurs and leaders by taking a business/management minor.
- Provides an opportunity to Applicants to pursue higher studies in an interdisciplinary field of study.
- To increase the overall scope of the undergraduate degrees

Minor Courses Syllabus: The Board of Studies (BoS) of the University shall recommend the ONLINE courses for minor degree. The list of the courses which are included in each track will form a syllabus for minor degree programs. These courses to offer between fourth to eight semesters for all branches. The eligible list of programs for various minor baskets shall be published the University.
