

16th Graduation Ceremony

31st October 2026

SOUVENIR

SDM Educational Society (R), Ujire (D.K.),

SDM College of Engineering & Technology

Dharwad - 580 002, Karnataka State, India

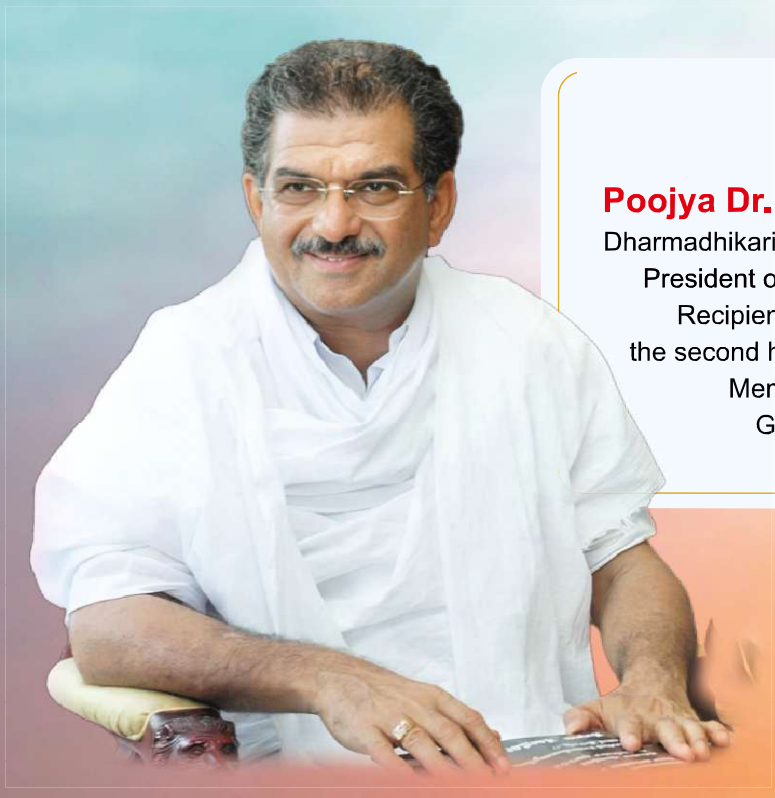

(An Autonomous College Approved by AICTE, affiliated to VTU Belagavi,
TEQIP beneficiary, UG Programs Accredited by NBA & NAAC with 'A' Grade)

Ph: 0836-2447465, Fax: 0836-2464638

Email: principal@sdmcet.ac.in Web: www.sdmcet.ac.in

|| Om Shree Manjunathaya Namaha ||

Revered

Poojya Dr. D. Veerendra Heggade

Dharmadhikari of Shri Kshetra, Dharmasthala,
President of SDME Society, Ujire (D.K.)
Recipient of “Padma Vibhushana”
the second highest Civilian Award of India
Member of Rajya Sabha,
Government of India

16th
Graduation Ceremony

October 31, 2026 (Saturday)

SOUVENIR

SDM Educational Society (R), Ujire (D.K.),

SDM College of Engineering & Technology

Dharwad - 580 002, Karnataka State, India

(An Autonomous College Approved by AICTE, affiliated to VTU Belagavi, TEQIP beneficiary)

Ph: 0836-2447465, Fax: 0836-2464638

Email: principal@sdmcet.ac.in Web: www.sdmcet.ac.in

PROGRAMME SCHEDULE

- Invocation.
- Graduation Ceremony Protocol begins.
- Welcome by the Principal.
- Distribution of Certificates and Medals.
- Address by the Honorable Chief Guest Dr. Jaiteerth R. Joshi, Director General, BrahMos (DRDO), CEO & Managing Director, BrahMos Aerospace.
- Address by the Guest of Honour of the Graduation Ceremony Dr. Niranjan Kumar, Hon'ble Vice Chancellor, Shri Dharmasthala Manjunatheshwara University, Dharwad.
- Address by the Honorable President of the Graduation Ceremony Sri D. Surendra Kumar, Vice-President, SDME Society, Ujire.
- Graduation Ceremony Protocol Concludes.
- National Anthem.
- Students to collect certificate, grade cards, etc. from department.

NOTE :

1. Graduands are informed to report at 9.00 am in their respective Departments to receive and wear shawls.
2. Only graduands are requested to attend the ceremony. Accompanying persons including parents are not permitted to attend.
3. Invitees shall occupy their seats by 10.00 am and shall not leave the venue during the ceremony.
4. Cell phones should be switched off throughout the programme.
5. When the ceremonial procession enters the venue, all are requested to stand up till the dignitories occupy their seats.
6. After the programme, everyone should stand up till the procession leaves the venue.
7. Dress Code : a) White shirt and black pant for Boys
   b) White Salvar Kameez/White Chudidar/White colour saree for Girls

SPECIAL NOTE :

1. Graduation ceremony is highly solemn and disciplined event. Hence, there should not be any whistling, shouting or any other undue behaviour. The auditorium is under CCTV surveillance and those who are indulging in undue behaviour may be asked to leave the place.
2. Appreciation to be conveyed through modest clapping.

28th October 2026

MESSAGES

It brings me immense joy to see SDMCET, Dharwad, celebrating another wonderful Graduation Day. This souvenir marks a significant milestone, celebrating your transition from determined students to capable engineering professionals.

When you first stepped onto this campus, you embraced our core vision: to build technical competence deeply anchored in human values. As you step into a rapidly changing technological landscape, remember that your specialized knowledge will open doors for you, but your integrity, kindness, and commitment to uplifting others will define your legacy.

Throughout your journey, our dedicated faculty have brought this college's mission to life. Through a contextually relevant and dynamic curriculum, advanced educational tools, and a robust research culture, we have bridged the gap between classroom theory and real-world industrial expertise. We have strived not only to graduate excellent engineers but also to nurture well-rounded individuals equipped with strong ethics and communication skills.

Whether you are stepping into corporate boardrooms, starting entrepreneurial ventures, or pursuing higher studies, move forward with absolute confidence. Keep your vision clear, remain humble, and live in a way that brings pride to your parents and your alma mater.

My heartiest congratulations to our graduates, their proud families, and the faculty members who have guided them. May Lord Manjunatha Swamy bless you all with success, happiness, and a deeply rewarding future.

(D. VEERENDRA HEGGADE)
President, SDME Society

Profile of the Chief Guest

Dr. Jaiteerth R. Joshi
Director General,
BrahMos (DRDO),
CEO & Managing Director,
BrahMos Aerospace

1. Appointment and Leadership

Dr. Jaiteerth R. Joshi, an Outstanding Scientist, assumed charge on 1 December 2024 as Director General (DG) of BrahMos, DRDO, and as CEO & Managing Director of BrahMos Aerospace.

2. Technical and Programme Contributions

Dr. Joshi has led work spanning the design, development, strategic planning and production of India's tactical missile systems. His role in initiatives associated with the joint development of the Medium Range Surface-to-Air Missile (MRSAM) is noteworthy.

As Programme Director for the Long Range Surface-to-Air Missile (LRSAM) programme he contributed to the design, development and induction of indigenous missile technology. As Project Director, he also helped strengthen the defence capabilities of the Indigenous Aircraft Carrier through LRSAM missiles.

3. Research, Innovation and National Impact

More than three decades of research and development and technology leadership credits his work with supporting India's self-reliance in advanced missile systems and technologies. His contributions to collaborative research involving academia, industry and research-and-development institutions, strengthening defence manufacturing capabilities are notable.

As an AICTE–INAE Distinguished Visiting Professor, he has contributed to engineering student skill development and to helping students realize their potential.

4. Professional Society and Skills Development Roles

Dr. Joshi as President-Elect of the Indian Society for Non-Destructive Testing (ISNT) and Chairman, during which he trained and certified candidates in Level I

and Level II testing methods: Radiography, Ultrasonic Testing, Magnetic Particle Testing and Penetrant Testing. It further notes his training of welding professionals as part of his chairmanship of the Indian Institute of Welding (IIW).

5. Awards and Honours

Dr. Joshi has the following recognitions (among others):

- Distinguished NDT'ian of the Decade — ISNT
- National Technology Day Award — DRDO
- IIM SAIL Gold Medal — IIM
- Scientist of the Year Award — DRDO
- Bharat Ratna Sir Mokshagundam Visvesvaraya Award — Institution of Engineers
- Manager of the Year Award — HMA
- Dr. N. Kondal Rao Memorial Award — ISNT
- Distinguished Alumnus Award — National Institute of Technology, Warangal

6. Fellowships

Dr. Joshi is a Fellow of the following professional and scientific bodies:

- Indian National Academy of Engineering (FNAE)
- Telangana Academy of Sciences (TAS)
- Indian Society for Non-Destructive Testing (ISNT)
- Indian Institute of Metals (IIM)
- Institution of Engineers India (IEI)
- Indian Society for Mechanical Engineers (ISME)
- Indian Institution of Production Engineers (IIPE)

7. Publications and Academic Engagement

Dr. Joshi has published several research papers in leading journals and delivered keynote addresses and guest lectures at conferences and academic institutions.

Address by the Chief Guest

A MESSAGE TO THE GRADUATES

It is a privilege and a matter of great pleasure to share my thoughts on the occasion of **16th Graduation Ceremony** of Shri Dharmasthala Manjunatheshwara College of Engineering and Technology.

A graduation ceremony is much more than a formal occasion to confer degrees. It is a celebration of years of hard work, perseverance, sacrifice and learning. It is also the beginning of a new chapter where the knowledge acquired by the students will be tested, and their actions will begin to shape the world around them.

I extend my heartfelt congratulations to all the graduating students. It is a moment of pride for parents, teachers and everyone who has been a great support throughout this journey.

It is also important to acknowledge the remarkable contribution of this institution and the organisation under whose guidance it functions.

The SDME Society has made an invaluable contribution to education and its commitment extends across a wide spectrum, from foundational learning to professional education and research.

What makes this contribution especially meaningful is the emphasis on combining education with values. The true purpose of an educational institution is not simply to produce graduates; it is to develop capable, responsible and ethical individuals who can contribute meaningfully to society.

By offering undergraduate and postgraduate programmes in engineering and management, along with opportunities for doctoral research, SDMCET is equipping young minds with the knowledge, skills and capabilities required to contribute to a rapidly changing world. I congratulate the management and faculty for their continued efforts in shaping the professionals and leaders of tomorrow.

The graduating students are entering the world at a time when technology is redefining the future of our nation. Artificial intelligence, automation, advanced manufacturing and emerging technologies are transforming industries and creating new opportunities. Technology has become central to national security, self-reliance and strategic strength.

Industries are evolving rapidly. Entirely new professions are emerging, while traditional roles are being redefined. The skills that are valuable today may need to be supplemented or reinvented tomorrow. For engineering graduates, this presents both a tremendous opportunity and a significant responsibility.

India is aspiring to become a global leader in innovation, manufacturing, digital technology and scientific advancement. We have a young population, a growing technological ecosystem and the potential to develop solutions that can serve not only our own people but the world. However, this potential will become reality only when talented young people step forward to turn ideas into action.

Our country needs engineers who can design better infrastructure, develop more efficient technologies, strengthen cybersecurity, improve healthcare, make agriculture more productive and create sustainable solutions for our environment.

As engineers, we have the opportunity to contribute to the national mission in sectors of defence, industry, research, entrepreneurship or public service. Wherever the graduates choose to serve, they must remember that their knowledge is their strength, their innovation is their contribution, and their character is their greatest asset.

As the students embark on their professional journeys, there are three golden rules that will guide their lives for success:

First, never stop learning: Degree is not the destination; it is the foundation. Technology will continue to evolve, and those who remain curious, adaptable and willing to learn will always find opportunities. Do not be afraid of change, prepare yourself to lead it.

Second, uphold integrity and discipline: In any organisation, technical competence is important, but trustworthiness is indispensable. Do your work with honesty, take responsibility for your decisions, respect your commitments and never compromise your values for short-term success. Remember, true leadership begins with self-discipline.

Third, have the courage to dream big and the determination to persevere: Your first job does not define your potential, and your first failure does not determine your future. Learn from every experience, work hard and keep moving forward.

India stands at a significant moment in its development. Our ambition to become a technologically advanced, self-reliant and globally competitive nation depends greatly on the talent and enterprise of young people.

Do not aspire merely to secure a good position or build a successful career. Aspire to solve meaningful problems, create opportunities for others and contribute to the progress of our country. Be proud of your achievements, remain humble in your success and always remember the people and institutions that helped you reach this day.

I would like to share one final thought with the graduates :

The future of India will not be shaped by what we hope to achieve, but by what we have the courage, competence and commitment to accomplish.

Dream boldly. Think independently. Work with discipline. Lead with integrity. And wherever life takes you, let your achievements bring pride to your family, your institution and our nation.

May you have the courage to innovate, the wisdom to make the right choices and the determination to turn your aspirations into reality.

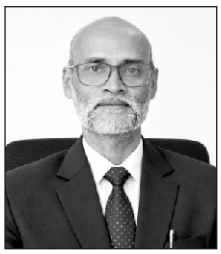

Go forward not merely to find your place in the world, but to make a meaningful difference to it. The future is yours to shape, and the nation is counting on you.

I extend my best wishes to all the graduating students for a bright, successful and purposeful future.

Jai Hind!

Dr. Jaiteerth R. Joshi
DG (BRAHMOS) and
CEO & MD,
BrahMos Aerospace

College Report by the Principal

Dr. I. Sridhar
Principal

It gives me immense pleasure to present the report of Shri Dharmasthala Manjunatheshwara College of Engineering and Technology (SDMCET), Dharwad, for the academic year 2025–26 on the occasion of the Graduation Ceremony. This is a moment of pride and celebration as we acknowledge the achievements of our graduating students, the dedication of our faculty and staff, and the collective efforts of everyone who has contributed to the continued growth and excellence of our institution.

SDMCET functions under the aegis of the SDM Educational Society, Ujire, Dharmasthala, under the inspiring leadership and visionary guidance of His Holiness Padma Vibhushan Poojya Dr. D. Veerendra Heggade, Dharmadhikari of Shrikshetra Dharmasthala and President of the SDME Society. His unwavering commitment to education, service, and human values continues to inspire our institution to pursue academic excellence while nurturing responsible citizens and competent professionals.

Established in 1979 with three engineering branches and an intake of just 90 students, SDMCET has grown into a reputed institution of technical education. Today, the college offers 8 undergraduate engineering programmes, 5 M.Tech. programmes, and an MBA programme, with a student strength of approximately 3,200. All eleven departments are recognised as research centres by Visvesvaraya Technological University (VTU), Belagavi, for doctoral programmes. Our institution continues to strengthen its academic environment through dedicated faculty, well-equipped laboratories, modern learning facilities, industry engagement, and a commitment to continuous improvement.

Academic Excellence and Institutional Progress

During 2025–26, the college continued to strengthen its outcome-based education framework, innovative teaching–learning practices, academic mentoring, and student-centred learning initiatives. Emphasis was placed on developing

analytical thinking, problem-solving abilities, communication skills, teamwork, professional ethics, and lifelong learning among students. Faculty development programmes, pedagogical training, technical activities, and opportunities for experiential learning supported the continuous enhancement of academic quality.

The institution successfully completed its academic activities for the year and continued to encourage curriculum enrichment through the participation of industry professionals, alumni, and academic experts. Our academic practices seek to bridge the gap between theoretical knowledge and professional application, preparing students to respond effectively to the changing technological and industrial landscape.

SDMCET continues to uphold its commitment to quality and institutional development. The college holds NAAC accreditation with an A grade and a CGPA of 3.03 on a four-point scale, valid until October 2028, and has received approval from AICTE for its programmes. The University Grants Commission has recommended an extension of autonomous status for ten years, from 2026–27 to 2035–36. These recognitions reflect the institution's sustained efforts towards academic quality, governance, and continuous improvement.

Research Contributions

Research and innovation remain integral to the academic culture of SDMCET. The institution encourages faculty and students to undertake interdisciplinary research, develop innovative solutions, publish scholarly work, pursue intellectual property, and establish collaborations with industries and research organisations.

During 2025–26, the research contributions reported by the institution included 20 publications in indexed journals and 20 publications in non-indexed journals, 1 book published and 3 book chapters. Faculty and researchers also presented papers at national and international conferences and pursued intellectual property development through patent and copyright applications and registrations.

The college supported 10 ongoing seed-money research projects with a total allocation of Rs. 11.84 lakh and seven externally funded, ongoing research projects with a sanctioned amount of Rs. 163 lakhs. Eight research scholars were awarded Ph.D. degrees during the year, reflecting the institution's commitment to strengthening its research ecosystem and nurturing future researchers.

Faculty achievements and innovations further enriched the institution's academic profile. Recognition received by faculty members, including the Prof. S.

Ayyappan Award for Discovery/Innovation from the Karnataka Science and Technology Academy, reflects the value placed on research, creativity, and technological advancement. We will continue to encourage quality publications, collaborative research, patents, consultancy, and the translation of research outcomes into practical applications.

Industry Interaction, Training and Placements

SDMCET recognises that engineering education must be closely aligned with the expectations of industry and society. Through the Centre for Industry Institute Interface (CIII), the college promotes internships, industry-oriented training, technical interactions, projects, entrepreneurship, and placement preparation. Partnerships with industry and professional organisations provide students with opportunities to understand emerging technologies and workplace practices.

The academic year 2025–26 recorded encouraging placement outcomes. As reported in the institutional placement statistics, 104 companies participated in recruitment activities, generating 601 offers, with 444 students placed at the time of reporting. The highest reported package was Rs. 34.90 lakh per annum, while the average package was Rs. 4.39 lakh per annum. A notable achievement was that Ms. Manisha Subhash Agrawale of Information Science and Engineering secured the highest package of Rs. 34.90 lakh per annum with VISA.

These outcomes reflect the importance of sustained efforts in aptitude development, technical training, personality development, communication, and industry readiness. We remain committed to expanding placement opportunities, strengthening industry partnerships, and supporting students who choose higher education, research, innovation, or entrepreneurship as their career pathways.

Student Achievements and Holistic Development

At SDMCET, education extends beyond classrooms and examinations. We believe that an engineer must possess not only technical competence but also creativity, leadership, resilience, teamwork, social responsibility, and a strong sense of ethics.

Our students have actively participated in technical competitions, research presentations, internships, professional activities, sports, and other co-curricular and extracurricular programmes. A noteworthy achievement during the year was the performance of our student teams in the SAEISS Autonomous Drone Development Challenge 2026. Team SDMCET AEROCLUB secured All India

Rank 2 for Best Safety Design, while Team SDMCET AIRBORNE secured All India Rank 3 for Best Technical Design. These achievements demonstrate the innovative thinking, technical expertise, and collaborative spirit of our students.

The institutional report also records three student journal publications, nineteen conference or symposium presentations, 489 summer internships, and fourteen student awards. Such activities enable students to explore their interests, develop practical competencies, and gain confidence in presenting their ideas before wider professional and academic communities.

The college continues to promote sports, cultural programmes, student clubs, professional societies, and leadership opportunities as essential components of campus life. We encourage our students to participate enthusiastically in these activities and to recognise that personal growth, discipline, empathy, and teamwork are as important as academic achievement.

Industry Partnerships, Innovation and Entrepreneurship

Strengthening collaboration between academia and industry remains a key institutional priority. During the year, the college continued to engage with organisations for research, internships, training, placements, and technology development. The signing of an MoU with QNX for establishing a Real-Time Operating System Centre of Excellence and industry collaborations supporting internships and start-up incubation are important steps in this direction.

The CIII ecosystem supports innovation and entrepreneurship through start-up development, expert interactions, training programmes, and engagement with industry professionals. These initiatives encourage students to move beyond conventional career pathways and explore opportunities in product development, research, consultancy, and enterprise creation.

We will continue to strengthen such partnerships so that students and faculty can access emerging technologies, undertake meaningful industry-oriented projects, and contribute to solving real-world problems.

Social Responsibility and Community Engagement

The values that guide SDMCET extend beyond academic and professional achievement. We believe that higher education carries a responsibility to contribute to the welfare of society and the sustainable development of communities.

Through initiatives associated with the National Service Scheme (NSS), Unnat Bharat Abhiyan (UBA), environmental awareness, community outreach, and other social activities, our students and faculty are encouraged to understand local challenges and contribute constructively to society. These experiences help students develop empathy, civic responsibility, environmental consciousness, and an appreciation of the role of technology in improving quality of life.

Our institution will continue to promote responsible engineering practices, sustainability, inclusive development, and service to the community as essential dimensions of professional education.

Infrastructure, Campus and Student Support

The college continues to provide an academic environment supported by laboratories, digital learning facilities, research infrastructure, student support services, and a green campus. Our library and learning resources facilitate access to technical literature, reference materials, and digital knowledge platforms. Hostel and transport facilities, sports infrastructure, and student activity spaces contribute to a supportive campus experience.

The dedication of our teaching and non-teaching staff is central to maintaining this environment. Their commitment to academic delivery, student mentoring, administrative support, campus maintenance, and institutional development enables us to provide a conducive atmosphere for learning and personal growth.

We are grateful to our management for its continued support in strengthening infrastructure, academic resources, and institutional capabilities.

Message to the Graduating Students

Dear graduating students, today marks an important milestone in your lives. The degree you receive is the outcome of years of learning, perseverance, discipline, and determination. It also represents the encouragement of your parents and families, the guidance of your teachers and mentors, and the support of everyone who has been part of your educational journey.

As you step into the next phase of your lives, remember that graduation is not the end of learning; it is the beginning of new responsibilities and opportunities. The world you are entering is shaped by rapid technological change, artificial intelligence, sustainability challenges, and evolving professional expectations. Continue to learn, remain curious, think critically, and adapt with confidence.

As engineers and management professionals, use your knowledge to create solutions that are safe, sustainable, inclusive, and beneficial to society. Uphold integrity in your professional conduct, respect diversity, value teamwork, and remain committed to excellence. Success is meaningful when it is accompanied by humility, compassion, and a willingness to contribute to the lives of others.

Carry the values of SDMCET wherever you go. Let your achievements, conduct, and service reflect the education you have received here. Remain connected with your alma mater, support future generations of students, and take pride in being part of the SDMCET family.

Acknowledgements and Best Wishes

I express my sincere gratitude to His Holiness Padmavibhushan Poojya Dr. D. Veerendra Heggade, President of the SDME Society, and the management for their visionary leadership, encouragement, and continued support. I also thank the members of the Governing Council, Academic Council, and Board of Studies for their valuable guidance in advancing the institution's academic and administrative objectives.

I place on record my appreciation for our faculty members, non-teaching staff, research scholars, students, parents, alumni, industry partners, and well-wishers. Their collective commitment and contribution have enabled SDMCET to sustain its progress and pursue higher aspirations.

My heartfelt congratulations to all the graduating students. May you pursue your ambitions with courage, exercise your professional responsibilities with integrity, and use your knowledge for the betterment of society and the nation.

I wish you every success in your professional careers and personal lives. May you continue to learn, innovate, lead, and make a meaningful difference wherever life takes you.

With best wishes for a bright and fulfilling future.

Dr. I. Sridhar
Principal

16th Graduation Ceremony 2026 : Various Committees

Sl. No.	Committee Name	Address
1	Printing of PDC's, Endowment Certificates and Medals	Dr. K. A. Sateesh, Dr. Keshava Joshi and Prof. Savitri Raju Prof. Bharati Sunagar
2	Souvenirs and Invitation printing	Dr. Vijaya C, Dr. S.S. Navalgund, Dr. Lokeshwari N
3	Distribution of Shawls to HOD's of respective Departments	Prof. V. P. Pandharikar, Dr. B. Manjunath, Dr. Vyas Murnal, Dr. Anand D. Vaidya
4	Stage and Auditorium Seating Arrangement.	Prof. Prateek Cholappanavar, Prof. V. R. Shivannavar, Prof. Praveen Sakare, Prof. G. I. Majjagi, Prof. Prashant Adver, Dr. Basavaraj Hugar, Prof. Jayram Bhat, Prof. Shivaprasad B. L, Dr. Bhahubali Murugunde
5	Event Coordination	Dr. Smitesh Patravali, Prof. Kushal Kapli Prof. Bhargavi Unkal, Prof. Supriya Patil
6	Function Management - MOC, Agenda Preparation, Invocation	Dr. Shravan Nayak, Prof. Indira Umarji, Prof. Rashmi Athanikar, Prof. Kushal Kapali and Prof. Sanjeet Amminbhavi
7	Chief Guest Hospitality	Prof. J. V. Vadavi, Prof. Sandeep Akki
8	Publicity	Dr. Shashikant Kurodi Prof. Vishwanatha Bhat and Mr. Sunil Mansur
9	Maintenance, Banners and Security	Dr. S. S. Kerur, Dr. S. B. Kulkarni, Mr. Narayan Reddy, Mr. Shankar, Mr. S. M. Kulkarni, Security Team
10	Procession In-charge	Dr. B Manjunath, Security Team
11	Shawls and PDC Distribution to students	All HOD's and team members
12	Photography and Videography	Prof. V.P. Pandharikar, Mr. Shridhar Danappagouder

Deans

Dr. Vijaya C.	Academic Program
Dr. Keshava Joshi	Administration
Dr. S. B. Kulkarni	Infrastructure Planning & Development
Dr. Satish S. Bhairannawar	Industry Institute Interaction
Dr. K. N. Patil	Research & Development
Prof. J. V. Vadavi	Student Welfare

Examination Section

Prof. Savitri Raju	Controller of Examinations
Prof. Anand Pashupatimath	Deputy Controller of Examinations

Heads of the Departments

Dr. R.J. Fernandes	Civil Engineering
Dr. K. N. Patil	Mechanical Engineering
Dr. S. G. Ankaliki	Electrical & Electronics Engineering
Dr. Shreedhar A. Joshi	Electronics & Communication Engineering
Dr. S. M. Joshi	Computer Science & Engineering
Dr. J. D. Pujari	Information Science & Engineering
Dr. Shivanand Adaganti	Chemical Engineering
Dr. Sangappa R. Biradar	Artificial Intelligence & Machine Learning
Dr. Dhanpal Basti	Mathematics
Dr. K. I. Maddani	Physics
Dr. N. Shashidhar	Chemistry
Dr. Shashikant S. Kurodi	Humanities
Dr. Prashantha C	MBA

Deputy Deans

Dr. Lokeshwari Navalgund	Academic Program
Dr. S. V. Viraktamath	Administration
Dr. Smitesh Patravali	Infrastructure Planning & Development
Dr. Jayaraj Y. Kudariyavar	Industry Institute Interaction
Dr. S. S. Navalgund	Research & Development

Section Heads

Dr. Vijaya C.	Anti-sexual Harassment Cell
Dr. U. P. Kulkarni	Co-ordinator, NBA and IQAC
Dr. S. M. Joshi	Co-ordinator, NAAC
Dr. S. S. Kerur	Public Relations Officer & Coordinator, UBA
Dr. Satish Bhairannawar	Institution Innovation Council
Dr. Shravankumar Nayak	Faculty Advisor – UG Admissions Deputy Coordinator NBA
Dr. Raghavendra G. S.	MIS Officer
Prof. Vinyak Miskin	Training and Placement Officer
Dr. K. A. Sateesh	Chief Warden, SDMCET Hostels
Dr. S. V. Viraktamath	PG Coordinator
Dr. Smitesh Patravali	Chief Coordinator – CCF
Prof. V. R. Sheelvant	Deputy Coordinator, IQAC & Faculty Advisor of Alumni Block
Dr. K. N. Hosur	Grievance Redressal Cell
Prof. Rashmi Athanikar	Deputy TPO
Prof. Venkatesh Pandharikar	Advisor student Cultural Activities
Dr. Rajashekarappa M. B.	Faculty Advisor for EDUSAT
Dr. Sunil Mathad	Deputy MIS Officer
Prof. Kotresh E. Marali	Deputy Coordinator NAAC
Prof. Vijaykumar Shivannavar	Advisor Student Technical Activities
Prof. S.I Akki	Transport Incharge
Prof. Kirankumar Rathod	Faculty coordinator-SC/ST Cell
Prof. Anand Vaidya	NSS
Sri Sunil Mansur	Staff I/C Library
Dr. Byalahunasi Manjunath	Physical Director
Sri Gurubasavesh Y.	Accounts Superintendent
Smt. Seema Kotkar	Office Superintendent
Sri S. N. Kulkarni	Superintendent, Garden Section
Sri Narayan Choudaraddi	Jr. Engineer, I/C Maintenance
Sri D. Sureshgouda	Security Officer

From the Desk of SOUVENIR COMMITTEE

Shri Dharmasthala Manjunatheshwara College of Engineering and Technology, Dharwad is celebrating the 16th Graduation Day. We, the editorial committee, are delighted to bring out the Souvenir-2026 on this occasion.

The graduating engineers deem the graduation day as a very important event for more reasons than one. The day is an occasion to celebrate for the students, parents, Institution and the society. The students cherish it as an eventful day after four years of hard work with their efforts yielding sweet fruits. The parents feel proud of their wards. The day indicates the transformation of budding youth into competent professional engineers for nation building.

The parents feel a sense of gratitude and accomplishment since their wards will be a part of responsible society. For the institution, faculty and staff, the graduation day marks the apex of extraordinary and sincere efforts in transforming the young minds. The society awaits and welcomes the services to be rendered by the fresh engineers, added to the national talent pool. It is the selfless service rendered by them that would contribute to a stronger nation.

The Souvenir-2026 committee would like to thank Secretary Shri Jeevandhar Kumar and the Principal Dr. I. Sridhar for continued guidance and motivation. It's their encouragement that has resulted in bringing out this edition of Souvenir. Our sincere thanks are also due to all faculty members, staff and students of the college, and all those who have directly and indirectly helped us in bringing out the present Souvenir.

The Souvenir committee wholeheartedly wishes the fresh graduates, all the best in their future professional and personal life. May Lord Manjunatha Swamy bless all.

Prof. Dr. Vijaya C.
Chairman,
Souvenir Committee

Members :

1. Prof. Savitri Raju
2. Dr. Lokeshwari Navalgund
3. Dr. K. N. Patil
4. Dr. S. S. Navalgund
5. Prof. Anand Pashupatimath
6. Prof. Vishwanatha Bhat
7. Smt. Seema K.
8. Smt. Pratibha S.
9. Sri. Ravi Beedi
10. Sri. Prem D'Souza

SDM College of Engineering & Technology, Dharwad - 580002

16th GRADUATION CEREMONIAL SHEET

1. **VANDE MATARAM - National Song**
2. **INVOCATION :**

   Students, SDMCET, Dharwad
3. **GRADUATION DAY OPEN :**

   MoC will say: (referring to the Honourable President of Graduation Ceremony)- Honourable President of Graduation Ceremony Sri D. Surendra Kumar, Vice-President, SDME Society, Ujire, we have the honour to request you to declare the Graduation Ceremony open
4. **HONOURABLE PRESIDENT OF GRADUATION CEREMONY WILL SAY :**

   "BY VIRTUE OF THE AUTHORITY VESTED IN ME AS THE PRESIDENT OF GRADUATION CEREMONY, I DECLARE THE 16th GRADUATION CEREMONY OF SDMCET, DHARWAD OPEN"
5. **WELCOME ADDRESS**
   - MoC will request the Principal to deliver welcome address.
   - Principal will deliver welcome address.

   MoC will request Dean Academic Program to continue the proceedings.
6. **DEAN ACADEMIC PROGRAM WILL SAY :**

   Honourable Sir, I seek your permission to present the candidates whose names are set out in the list for the Award of BACHELOR OF ENGINEERING, MASTER OF TECHNOLOGY and MASTER OF BUSINESS ADMINISTRATION IN 8 UG DISCIPLINES AND 6 PG DISCIPLINES respectively. The candidates of all these branches are requested to stand up. They have been examined and found qualified for the respective degrees for which I pray Honourable Sir, they may be admitted for the Award of Degree.

   In addition, the candidates who have received Doctor of Philosophy in various branches at SDMCET research centres under VTU and other Universities also stand up.
7. **THE HONOURABLE PRESIDENT OF GRADUATION CEREMONY WILL SAY :**

   BY VIRTUE OF THE AUTHORITY VESTED IN ME AS THE PRESIDENT OF GRADUATION CEREMONY SDMCET DHARWAD, I ADMIT ALL THE CANDIDATES PRESENTED FOR THE AWARD OF DEGREE OF BACHELOR OF ENGINEERING, MASTER OF TECHNOLOGY IN 8 UG DISCIPLINES AND 6 PG DISCIPLINES RESPECTIVELY. IN TOKEN THEREOF THEY HAVE BEEN PRESENTED DEGREE CERTIFICATES.

   In addition, candidates who have obtained Doctor of Philosophy will be given appreciation certificates.

8. **DEAN (ACADEMIC PROGRAM) WILL SAY :**

Graduating candidates please repeat what I say :

- I WILL GIVE MY BEST TO THE SOCIETY WITH FAITH, GRACE, HUMILITY AND FEAR OF GOD.
- I VOW THAT I WILL WORK HARD TO BECOME PROFESSIONALLY SUPERIOR AND ETHICALLY STRONG INDIVIDUAL.
- I WILL RESPECT MY MENTORS AND TENETS OF SDMCET.

Please resume your seats.

9. **DISTRIBUTION OF THE CERTIFICATES AND MEDALS TO RANK HOLDERS :**

- Dean Academic Program will say :

The details of each discipline and Rank Holders will now be announced by the respective Chairman (HOD) of Board of Studies.

Each Chairman will announce the following :

_____ number of candidates have been admitted to the degree of Bachelor of Engineering in _____ discipline. The top three Rank Holders are as follows. I request them to come to the dais and receive their Certificates and Medals from the Honourable President of graduation Ceremony.

_____ number of candidates have been admitted to the degree of Master of Technology in _____ discipline. The top One Rank Holders are as follows. I request them to come to the dais and receive their Certificates and Medals from the Honourable President of graduation Ceremony.

10. **SPECIAL PRIZES :**

MoC will say :

The College has instituted special certificates of appreciation for candidates who have obtained Doctor of Philosophy from Research centers of SDMCET during 2025-26. I will read out the names of these candidates and are requested to collect their certificates from the President of Graduation Ceremony.

The College has also instituted a Gold medal from our Rev. President for the highest CGPA and endowment prizes for toppers in various disciplines.

I will announce these prizes and I request the Chief Guest to give away the endowment prizes and President of the function to hand over the Gold medal.

11. **INTRODUCTION OF CHIEF GUEST :**

- MoC will request a faculty to Introduce the Chief Guest of the ceremony.
- Faculty will introduce the Chief Guest.

12. **SPEECH BY THE CHIEF GUEST (Dr. Jaiteerth R. Joshi)**

- MoC will request the Chief Guest to address the gathering.
- Chief Guest will address the gathering.

13. **SPEECH BY THE PRESIDENT OF CEREMONY (Sri D. Surendra Kumar)**

- MoC will request the President for Presidential remarks
- Presidential remarks by Sri D. Surendra Kumar

14. **VOTE OF THANKS :**

Dean Student Welfare will propose a vote of thanks.

15. **DISSOLUTION OF GRADUATION CEREMONY :**

The Honourable President of Graduation Ceremony will say "I DISSOLVE THIS GRADUATION CEREMONY".

16. **NATIONAL ANTHEM :**

MoC will say :

Please stand up for National Anthem. National Anthem will be played.

List of Undergraduate (UG) Rank Holders in Various Disciplines for the year 2025-26

Artificial Intelligence & Machine Learning

RANK	USN	NAME	CGPA

Endowment Prizes

Sl. No.	Name of the Student	Endowment Name	Endowment Award	USN	Branch
1	BHUMIKA CHANDRASHEKHAR SAJJAN	President Gold Medal	Highest CGPA in Final Year	2SD22IS008	Information Science & Engineering
2	SANJANA R PAMADI	Shri Kodlaya Memorial Endowment Prize	Highest CGPA in Final Year E&E Engg.	2SD22EE038	Electrical & Electronics Engineering
3	SAHANA SAINATH PAI	Smt. Lokaavva G Kudri Memorial Endowment Prize	Highest CGPA in 2nd year Mechanical Engg.	2SD22ME045	Mechanical Engineering
4	DEEPTI V PATIL	Smt. Annapurna Shirkol Memorial Endowment Prize	Highest CGPA in Final Year Civil Engg.	2SD22CV013	Civil Engineering
5	DARSHAN DAYANAND NAIK	Dr. S R Narappanavar Memorial Endowment Prize	Highest CGPA in E&C Engg.	2SD22EC020	Electronics & Comm. Engineering
6	MANASI RAJESH GAONKAR	Mr. Prakash Bijur Endowment Prize	Highest CGPA in Chemical Engg.	2SD22CH012	Chemical Engineering
	SUMEDHA BAGALKOTI	Mr. Prakash Bijur Endowment Prize	Highest CGPA in CS Engg.	2SD22CS111	Computer Science & Engineering
	BHUMIKA CHANDRASHEKHAR SAJJAN	Mr. Prakash Bijur Endowment Prize	Highest CGPA in IS Engg.	2SD22IS008	Information Science & Engineering
7	PALLAVI RAMESH BETAGERI	Smt. Ratna Veranna Memorial Endowment Prize	Highest CGPA in Mechanical Engg.	2SD22ME035	Mechanical Engineering
8	SUMEDHA BAGALKOTI	Dr. Smt. Rukmini Krishnarao Parvati Memorial Endowment Prize	Girl Student with highest CGPA other than Gold Medalist	2SD22CS111	Computer Science & Engineering

Sl. No.	Name	Endowment Name	Endowment Award	USN	Branch
9	LAKSHMAN SANTOSH KAMBAR	Prof. B U Pai Endowment Prize	Highest score in Thermo Fluids Engineering (22UMEC502) 5th semester subject	2SD23ME423	Mechanical Engineering
10	SUMEDHA BAGALKOTI	Smt. Siddamma G Bhavi Memorial Endowment Prize	Cash prize to students who secures higest marks in Engg. Mathematics in 1st semester	2SD22CS111	Computer Science Engineering
11	BHUMIKA ASHOK NAYAK	Smt. Siddamma G Bhavi Memorial Endowment Prize	Cash prize to students who secures higest marks in Engg. Mathematics in 2nd semester	2SD22AI015	Artificial Intelligence and Machine Learning
11	MEGHA S BHAT			2SD22AI032	Artificial Intelligence and Machine Learning
11	ABHISHEK KALLAPPA SHEBANNAVAR			2SD22CS004	Computer Science Engineering
11	ANANYA UMESH GAONKAR			2SD22CS012	Computer Science Engineering
11	GAYATRI A CHAVADANNAVAR			2SD22CS028	Computer Science Engineering
11	KUSHAAL N			2SD22CS046	Computer Science Engineering
11	SURAJ MOHAN GUNAGI			2SD22CS115	Computer Science Engineering
11	POOJA SHEKHARAGOUDA			2SD22CS130	Computer Science Engineering
11	SRUSHTI AYYANAGOUDA BIRADAR			2SD22EC101	Electronics & Communication Engineering
11	SHARVARI HOMBAL			2SD22IS043	Information Science Engineering
12	NIL	Sri. C. R. Bhat Memorial Endowment Prize	Cash Prize of Rs. 10000/- each for top 5 B.E. Honors students	NIL	NIL

Vision
To develop competent professionals with human values.

Mission
* To have contextually relevant Curricula.
* To promote effective Teaching Learning Practices supported by Modern Educational Tools and Techniques.
* To enhance Research Culture.
* To involve the Industrial Expertise for connecting Classroom contents to real-life situations.
* To inculcate Ethics and soft-skills leading to overall personality development.

Quality Policy
In its quest to be a role model Institution, committed to meet or exceed the utmost interest of all the stakeholders.

Core Values
* Competency
* Commitment
* Equity
* Team work
* Trust

Ms. Bhumika Chandrashekhar Sajjan

USN : 2SD22IS008
CGPA : 9.91
B.E. (Information Science & Engineering)
Winner of President Dr. D. Veerendra Heggade
Gold Medal for Securing the
Highest CGPA for the year 2025-26

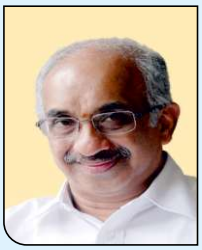

SDM Educational Society

Poojya Dr. D. Veerendra Heggade
President, SDME Society, Ujire

Sri D. Harshendra Kumar
Secretary

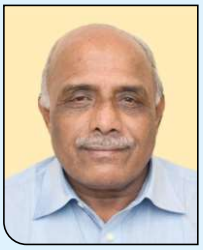

Sri D. Surendra Kumar
Vice-President

The Editorial Committee of Souvenir-2026

16th Graduation Day Ceremony

Saturday, October 31, 2026 at 10.00 AM
In the College Auditorium

Dr. Jaiteerth R. Joshi

DG (BRAHMOS) and CEO & MD, BrahMos Aerospace, DRDO, NEW DELHI
will be the Chief Guest and deliver the convocation address

Sri D. Surendra Kumar

Vice President, SDME Society
will preside over the function

Sri Jeevandhar Kumar

Secretary, SDME Society, Dharwad

We the Management, Principal, Faculty, Staff and Students
Cordially invite you for the function

Dr. I. Sridhar

Principal, SDMCET, Dharwad
