ADV

Name of the Expert: Dr. M.M. Math.

Designation: Professor

Department: CSE

Institution: GIT, Belagavi.

Mobile No: 9945001309

Email ID: mmmath@git.edu

Date of Review: 28-06-2022

Observations made by the Expert:

1. ^{Most of} All the questions are mapped ^{to} Level-1 and Level-2 of Bloom's taxonomy
- Better to indicate level of the questions as per the Bloom's taxonomy in the question paper.
- It is observed that for few courses the marks distribution is ~~not appropriate~~ for few questions is not appropriate.
