Mentorship Report
Academic year 2021-22

Faculty Name :Sunil S. Mathad

Semester : 2nd

Sl.No	USN	Name	Observations /Suggestions
1.	2SD21EC068	RAKESH	Students were anxious about their engineering career path owing to their limited/ unorthodox learning due to COVID pandemic. They were Counselling and assured of necessary support. Motivated them to take up their studies more rigors.
2.	2SD21EC069	RAKSHAN DODDAMANI	
3.	2SD21EC070	RAMYA PARASHURAM HUNAGUND	
4.	2SD21EC071	SAHIL P MAHAT	
5.	2SD21EC072	SAI PRITHVI	

Semester :3rd

Sl.No	USN	Name	Observations /Suggestions
1.	2SD20EC019	APEKSHA PRAMOD DESHPANDE	Practical exposure and lack of confidence due to lesser Hands on experience owing to pandemic was expressed by the students. They were motivated to work extra hours in lab until they had enough confidence
2.	2SD20EC022	B RICHA RAO	
3.	2SD20EC025	BHARGAVA S N	
4.	2SD20EC026	BHIMASHI GOTUR	
5.	2SD20EC029	CHETANKUMAR MRUTYUNJAYA HAVERI	

Semester :5th

Sl.No	USN	Name	Observations /Suggestions
1.	2SD19EC005	AFREEN .BADDURKHAN	Students found that there energy was diverted to placement preparation, resulting low score in regular academics. They were convinced that regular academic performance was a major chunk as compared to remaining add-ons in evaluating them. They were suggested about building an identity or technical tinge by choosing right electives projects.
2.	2SD19EC006	AISHWARYA.YALAGI	
3.	2SD19EC007	AISHWARYA.DASANAKERI	
4.	2SD19EC008	AJAYKUMAR.BARADOLA	
5.	2SD19EC009	AJEET.PRADHAN	
6.	2SD19EC010	AKASH.JOSHI	

Semester :7th

Sl.No	USN	Name	Observations /Suggestions
1.	2SD17EC025	DARSHINI SALIMATH	Students were found to be highly directive because of placement and internships. Counselling that engineering is about all learning and implementing, along with an open mindedness. They are not supposed to limit their learning by mere superficial evaluation of the subject.
2.	2SD17EC050	MANASA M NAYAK	
3.	2SD17EC118	VIJAYANANDA NARAYAN HEGDE	
4.	2SD17EC121	VISHWAS S BHAT	
5.	2SD18EC002	ABHIJITH GOVINDA BHAT	
6.	2SD18EC005	ADITI G MAHALE

Observations by the Mentor:

1. All the mentees from 2nd, 3rd, 5th and 7th semesters have visited the mentor.
2. Mentees have not mentioned any particular grievance on the campus.
3. The mentees are advised to prepare well for placement activities.
4. The attendance is found to be satisfactory.
5. The career planning reveals that they are interested to get into IT companies, core fields, government jobs and higher education.
6. The academic performance appears to be satisfactory, but there is scope for improvement.
7. They are informed to be in touch with the mentor.
8. Every Friday is earmarked for mentorship activities; however, they are free to consult the mentor on issues of urgency.

Mentorship report 2022

The Report on the interaction and discussion session/meeting held between Mentee students and Mentor. The summary of various observations made and actions taken are listed.

- Meeting with mentee was conducted.
- The attendance reports and IA performance of mentees have been noted. Poor and Low performers have been counseled and possible guidance has been given for improvement.
- Many other issues like Health, Online classes, library usage, self-study, understanding of mathematical subjects related to academics have also been discussed.
- Pre-final and Final year students have been counseled, considering placements as main priority and were advised to concentrate on preparation of aptitude and other entrance examinations related to placement and higher studies.
- Topics pertaining to Hostel food, facilities, sports and extracurricular activities for first year students were discussed positively.
- Students did not express any grievances either in understanding subjects and labs or any in matters.

Most of the Mentee students were satisfied with the interaction session. Contact numbers of the mentors have been taken for future correspondence. Students are informed to meet their mentor regularly and discuss their academic progress.
