Respected sir,

Sub: Report on training program conducted on 16th and 17th February 2018

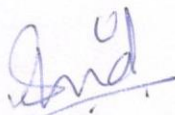

With reference to the above subject we conducted 2 day training program for 6th and 8th semester students on "Basics of Flow Vision" from DHIO Engineering, Bangalore under CIIL. Training was conducted on 16th and 17th February 2018, two trainers Mr. Kristnaprasad and Mr. Nave from DHIO Engineering trained the students of 6th and 8th semester. Total 44 no of students attended the training program. Training covered basics of CFD, basics of flow vision, hands on training on flow vision conducted in P.Cad lab. Students found it very helpful in their career.

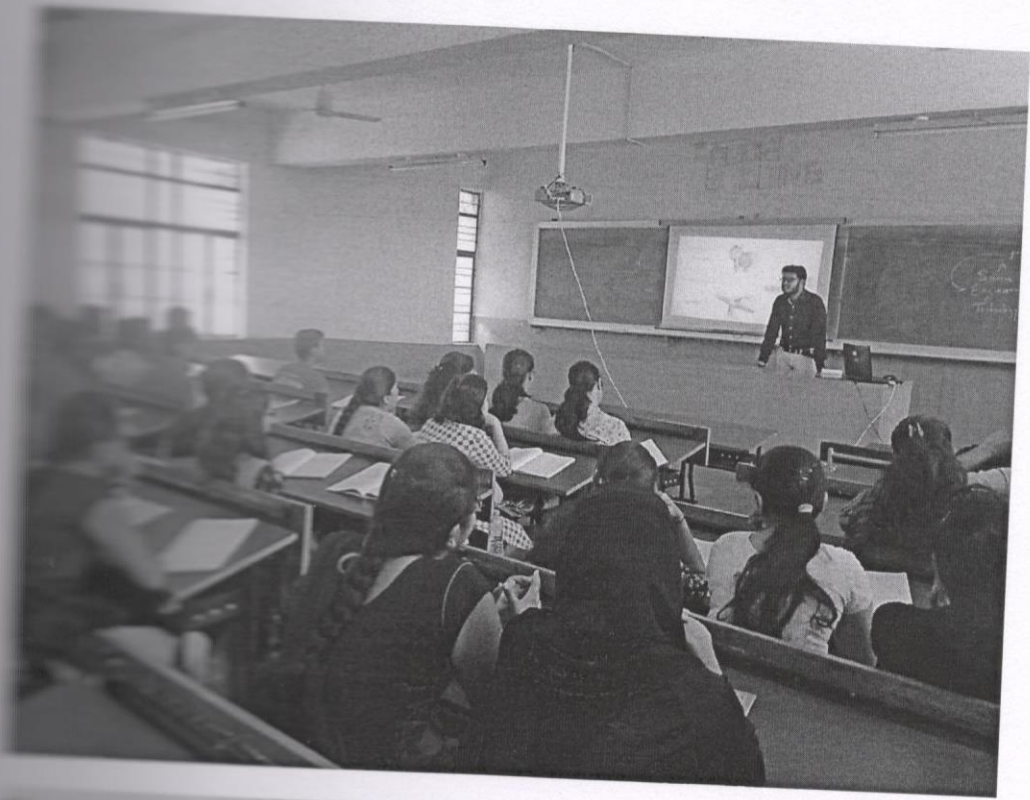

As attached attendance report and photos of the sections.

Thanking you,

Yours faithfully,
