ACM 26

Preamble: The Academic Council of SDMCET approved the following in 24th AC meeting held on 8.09.2021 and 25th AC meeting held on 29.12.2021.

1. **The scheme of study and examination from the academic year 2021-22 (under NEP 2020) which now under execution.**
2. **The amendments (pertaining to NEP 20202 implementation) of regulations governing academic autonomy from the Academic year 2021-22.**

The approved scheme, syllabi and regulations are released, distributed to the students and published on the College website, in the beginning of the semester (December 2021) for the academic year 2021-22.

The VTU issued Guidelines and regulations for Autonomous Institutions on 3.05.2022 under the title "Regulations governing B.E. / B.Tech programs under CBCS" and also issued "Guidelines and norms for implementation of academic autonomy framed under section 20(w) of VTU act 1994" on 17.05.2022 through email from academic year 2021-22 and informed the institutions to refer while preparing the regulations. The college went through the guidelines issued by VTU. The regulations framed at SDMCET are almost in line with the guidelines. At SDMCET, AC approved Regulations book is already distributed to the students for the academic year 2021-22, it is felt that the changes, if any, shall be considered during the next revision. Any changes in teaching and evaluation call for the modification of ERP at coding level.

However, the Chairman, Academic Council, SDMCET desired to convene the AC meeting for the kind consent of Honourable AC members to consider few suggestions given by VTU and also reassert few clauses (rules) as detailed in the Agenda below.

Agenda:

26AC-01-22 (Continuation of the existing rule): To consider and reassert the approval (R4.10, SDMCET Regulations Governing Academic Autonomy from 2021-22) in respect of Vertical Progression:

R4.10 Promotion to next Academic Year (Vertical Progression):

The prescribed standards for eligibility criteria for a student to be promoted to the next academic year shall be as follows:

➢ Minimum CGPA earned =5.00 at the end of each academic year.

➢ Maximum number of **F grades** a student can carry to the next academic year is **04**. This includes Theory, laboratory, Project, seminars, etc. i.e., all courses with credits.

Minutes: There is no change in R4.10 of SDMCET Regulations Governing Academic Autonomy effective from 2021-22, in respect of Vertical Progression.

26AC-02-22 (Continuation of existing rule): To consider and reassert the approval (R4.9.2, SDMCET Regulations Governing Academic Autonomy from 2021-22) in respect of Passing Standards.

R4.9.2 Passing Standards:

Passing Standards adopting Absolute Grading

Absolute grading is practiced in the college. The passing standards for all types of courses are as mentioned in the table below.

Evaluation Method	Passing Standard
CIE	Score: $> = 40\%$
SEE	Score: $> = 40\%$

Minutes: There is no change in R4.9.2 of SDMCET Regulations Governing Academic Autonomy effective from 2021-22, in respect of Passing Standards.

26AC-03-22 (Continuation of existing rule): To consider and reassert the approval (R4.9.2, SDMCET Regulations Governing Academic Autonomy from 2021-22) in respect of Grade Points Scale for Absolute Grading.

R 4.9.2 Grade Points Scale for Absolute Grading:

Level	Outstanding	Excellent	Very Good	Good	Above Average	Average	Fail
Grade	S	A	B	C	D	E	F
Grade points	10	09	08	07	06	04	00
Score (Marks) Range %)	$>= 90$ (90-100)	< 90 to $>= 80$ (80-89)	< 80 to $>= 70$ (70-79)	< 70 to $>= 60$ (60-69)	< 60 to $>= 50$ (50-59)	< 50 to $>= 40$ (40-49)	< 40

Minutes: There is no change in R4.9.2 of SDMCET Regulations Governing Academic Autonomy effective from 2021-22, in respect of Grade Points Scale for Absolute Grading.

26AC-04-22 (Continuation of existing rule): To consider and reassert the approval (R4.1.6, SDMCET Regulations Governing Academic Autonomy from 2021-22) in respect of Supplementary Semester.

R4.1.6 Supplementary Semester:

A Supplementary Semester is conducted during the vacation between even and the next odd semester to facilitate those students who have not completed courses successfully in the main / regular semesters. It shall be of 8 weeks duration including course registration, continuous (sessional) and semester end (terminal) assessments. Courses offered in the Supplementary Semester will be treated as equivalent to a regular semester (odd/even) for all teaching learning and assessment purpose.

Supplementary Semester will be at an accelerated pace and will be at double the rate of normal semester such that a course of 4 hours per week will have 8 hours per week.

Proposed Addition to the existing rule:

The students who have been detained due to want of attendance and CIE marks are required to reregister in Supplementary semester. The students who have satisfied CIE and Attendance requirements for the course/s and obtained F grade in SEE are permitted to appear directly in ensuing examination/s as backlog paper/s. The students need not re-register for such course/s in the supplementary/ fast track semester.

Minutes: There is no change in **R4.1.6** of SDMCET Regulations Governing Academic Autonomy effective from 2021-22, in respect of Supplementary Semester and the addition mentioned above to the existing rule is approved and shall be applicable from the current even semester of the academic year 2021-22.

26AC-05-22 (Amendment of existing rule): To consider and approve the amendment of **R4.11**, SDMCET Regulations Governing Academic Autonomy from 2021-22 in respect of CGPA to % Conversion as given below.

Existing:

Grade Point	Percentage of Marks
5.75	50
6.25	55
6.75	60
7.25	65
7.75	70
8.25	75

Proposed Amendment: There is no formula for the conversion of CGPA into the percentage of marks. However, the following is the conversion of the CGPA on 10-point scale into the percentage of marks for employment / higher studies, etc.

Percentage = CGPA X 10

Minutes: The formula Percentage = CGPA X 10 is approved and this amendment for rule **R4.11** of SDMCET Regulations Governing Academic Autonomy will be effective from academic year 2021-22.

26AC-06-22: Change / Transfer for PG programs (New clause to be added only for PG programs as per VTU guidelines): To consider and approve the new clause to be added to SDMCET Regulations Governing Academic Autonomy for PG programs.

ACM 26

Proposed new clause: The change of specialization for PG programs within the institution is not permitted. Further, the change of college for PG programs is not permitted.

Minutes: The change / transfer as mentioned in the above proposal is approved and will be effective from the academic year 2021-22.

26AC-07-22: Successive Failures (New clause to be added for UG programs as per VTU guidelines): To consider and approve the new clause to be added to SDMCET Regulations Governing Academic Autonomy for UG programs.

Proposed new clause: If a student is not successful to pass a Course even after four attempts, that course is deemed to be exempted for him/her. Then, the student may choose a course of his / her choice with the same number of credits from the pool of courses stipulated by the concerned Board of Studies. The course so selected should not have been studied by the student or to be studied in higher semester/s. The faculty advisor shall guide/advise the student in this regard. The college will make arrangements for the registration, conduction of CIE for the selected course.

This provision is given only for two courses (one at a time) during the entire maximum duration of a course.

Minutes: The above proposal in respect successive failures even after 4 attempts is approved and will be effective from the current even semester of academic year 2021-22.

26AC-08-22 Backlogs (New clause to be added for UG programs as per VTU guidelines): To consider and approve the new clause to be added to SDMCET Regulations Governing Academic Autonomy for UG programs.

Proposed new clause: The students who have satisfied CIE and Attendance requirements for the course/s and obtained F grade in SEE are permitted to appear directly in ensuing examination/s as backlog paper/s. The students need not re-register for such course/s in the supplementary/ fast track semester. In case the student wishes to improve CIE/ he/she has to re-register for supplementary / fast track semester as and when offered next. Once eligible CIE marks is earned by the student, the same will be carried forward till he / she clears the semester end examination.

Minutes: The above proposal in respect backlogs is approved and will be effective from the current even semester of academic year 2021-22.
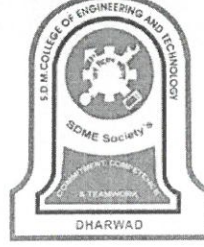

I request all the members to approve the above resolutions for smooth and effective implementation to maintain the standard of quality in engineering education.

Agenda 1: Approval sought for the revised academic calendar and conduct of examination for lateral entry students as one time measure:

Preamble:

Due to delay in admission process, diploma students just have started taking admission to 3rd Semester as per the provision by VTU as lateral entry in respective branches and the admission process would be completed by the end of 1st week of Jan 2022. Nearly 150 students are expected to take admission across the branches in our college.

The classes for 3rd semester students started from 1.10.2021 and about 70-75% of the syllabus is completed over the past three months. The lateral entry students are getting only one month time as per the existing academic calendar and will learn about 25 to 30% contents in the syllabus.

Arranging extra classes for the contents covered in three months to teach in the available one month time along with the regular time table is very difficult and the students would be highly stressed. This would affect their performance and reduce their confidence besides lack of meaningful learning. In view of the above, it is proposed to adopt the following as one time provision.

The lateral entry students will attend the classes along with the regular students till the last working day as per the existing academic calendar. In addition special time table will be framed to conduct classes for five more weeks(from 1st Feb to 5th March 2022) to cover the entire syllabus. This will result in better learning because of the extension in the term days.

There is a provision for the regular students to appear for makeup examination who do not succeed in the main exam and the makeup exam will be conducted in the second week of March 2022 for such students.

It is proposed to conduct Semester End Examination for lateral entry students along with students appearing for makeup examination which ensure that lateral entry students will be in the main stream. For lateral entry students, the makeup examination will be treated as first attempt without grade reduction.

Hence, seeking approval for extension of term and conduct of SEE (Semester End Examination) for lateral entry (Diploma) students along with the regular students taking make up examination in the month of March 2022 as one time measure.

Resolution:

1) **Approved for extension of term and conduct of SEE (Semester End Examination) for lateral entry (Diploma) students along with the regular students taking make up examination in the month of March 2022 as one time measure.**
2) **Approved the revised Academic Calendar.**

Special AC meeting through circulation
Agenda & Minutes

Agenda: Approval sought for Modification in the academic calendar for the year 2020-21.

Preamble:

In view of the Covid-19 pandemic situation and based on the opinion of the parents and students, it is proposed to conduct lab sessions, project review, lab exams, project viva and Semester End Examination (SEE) for all students (both UG & PG) in offline mode in one stretch of about 2 to 3 weeks by strictly following the SoPs defined by UGC, GoK and VTU. This is in addition to the existing blended mode of teaching and learning process.

To ensure that the commencement and closure dates of the revised calendar is on par with the academic calendar received by VTU on 25.11.2020, the 23rd ACM (2(-11–2020) approved calendar requires a little modification.

In this regard, the members of the Academic Council are requested to extend their approval to the modification.

Resolution: Approved and advised to take all precautions and to follow guidelines laid down by the concerned authorities.

Academic Council: 10.09.2020

As desired by the Chairman, Academic Council, SDMCET, Dharwad, a special academic council meeting through circulation is called. I request all the academic council members to respond to the following agenda items, descriptions and the corresponding resolutions.

Further, you are requested to reply by return mail and the same shall be treated as official reply.

Agenda

Spl AC 1-2020:

To Approve and recommend to GC for considering the list of graduating students of 2019-20 batch (UG- all branches 524 students and PG- all disciplines 113 students) enclosed herewith to issue Provisional Degree Certificate.

Description:

Hope yourself and everyone at home is fine.

I am pleased to inform that SDMCET conducted VIII Semester examination of all branches and PG final semester (M.Tech. & MBA) both in online and offline (blended) mode with proctoring. Nearly 65% of the students opted online and remaining offline. The proceedings of the examination are documented both in digital and physical form. The evaluation process is completed. Further, the results are announced on during the first week of September, 2020.

I profusely thank all of you for your valuable suggestions and guidance.

In view of the present pandemic situation, the graduation day will be conducted little delayed. However, there are calls for jobs in various organizations including Government of Karnataka. The students are requesting to issue the Provisional Degree Certificate (PDC) to apply for jobs.

Hence, in this context, I request members to kindly approve the list of graduating students (UG- all branches 524 students and PG- all disciplines 113 students) enclosed herewith to confer Provisional Degree Certificate which enable/ facilitate them to apply for jobs. Honorable Vice-Chancellor, VTU also mentioned that the students shall be facilitated by announcing results early and issuance of related certificates, in the video conference held on 19.08.2020.

Hence, I request you to kindly permit us to issue the PDC for the graduating students of 2019-2020.

Resolution: The Academic Council of SDMCET, Approved and recommended to GC for considering the list of graduating students of 2019-20 batch (UG- all branches 524 students and PG- all disciplines 113 students) enclosed herewith to issue Provisional Degree Certificate.

Minutes of Special Academic Council meeting through circulation held on 11-05-2020

A special meeting of Academic Council through circulation was held on 11-05-2020. The Chairman sent mail to all the members explaining the need of conducting Special Academic Council Meeting along with agenda and descriptions. The Chairman requested Dean (Academic Program), Member Secretary to collect remarks of the members about the resolutions.

	Agenda	Description / Discussion	Resolution
Spl AC 1-2020	Permission to adopt suitable procedure for teaching and evaluation as a onetime (only for the current even semester) provision in view of the Covid 19 crisis.	In view of the unexpected and unprecedented ill effect of Covid 19, the on line teaching is adopted by SDMCET, Dharwad, to enable the students to learn during the lock down period. Further, the examination method needs to be modified in the present crises period without compromising the academic standard and integrity, in accordance with the UGC guidelines and VTU directions to safe guard the interest of the students. Therefore, the college is to plan and make arrangements to complete CIE (Continuous Internal Evaluation) and SEE (Semester End Examination) for theory, practical and project courses in line with the guidelines issued by UGC and VTU from time to time. Hence, it is requested to the Academic Council of SDMCET to permit the college to follow suitable procedure as per the guidelines from the competent authorities, for which post facto approval will be taken in the immediate next Academic Council meeting.	The Academic Council of SDMCET, approved the proposal, as a onetime provision, to plan for evaluation of CIE and SEE for theory, practical and project courses based on the guidelines given by the competent authorities. The AC suggested to place the details of the plan of action and action taken report in the immediate next Academic Council meeting for which post facto approval will be given.

Special ACM

| Spl AC 2-2020 | Correction of award of class in the degree certificate of MBA student P. Deepak Kumar bearing USN: 2SD17MBA26 passed out during the academic year 2018-19. | As per the Autonomy governance norms of SDMCET, for UG and PG programs, the list of graduating students will be approved by Academic Council and recommended to Governing Council for award of degree. In the case of any issue related to award of class and degree shall be brought before Academic Council for ratification. In this back ground there is an error in marking the grade and award of class of a MBA student. It is appealed to Academic Council for consideration and for further course of action. The issue is as detailed under:

The performance of the PG students in the makeup examination will be one grade less than the grade obtained, if they get grade "S", "A" or "B". But there is no grade reduction for the students who obtain "C" grade. For example, if a student obtains "A" grade in the makeup examination, then one grade will be reduced and grade "B" will be awarded. If a student obtains "C" grade in the makeup examination, as this grade is the minimum grade for passing the course for PG programs, there will not be any grade reduction and will be awarded as grade "C" only (refer attachment).

As applied to the above student, he appeared for the makeup examination and obtained "C" | Academic Council considered the correction of error in view of the student's actual performance not being reflected in degree certificate, with a note to the college to avoid such errors in future. Further, suggested to appeal to VTU for kind consideration keeping in view the natural justice. |

| | | grade and the same grade "C" is to be retained. But, due to an error in the ERP software, the C grade is reduced to D grade (which is applicable to UG programs as the grades are from "S" to "E") and accordingly the CGPA is calculated.

The CGPA of the student with "C" grade will be 7.86 and class award will be First Class with Distinction (refer attachment). Due to the error happened in ERP software, the CGPA is computed as 7.70 and class award is First Class(refer attachment).

In the above backdrop, it is placed before Academic Council through circulation to consider and permit for the correction of the error and also permit to appeal to the VTU authorities for favourable consideration. | |

21AC-05-19	Plan for the next academic year: • Accelerating the activities of innovation centre • Construction of indoor sports complex.	• AC felt that appreciation/prizes shall be instituted for sustained encouragement. • AC noted with pleasure the construction of indoor sports complex.
21AC-06-19	Any other matter with the permission of the Chair. Two issues were raised by the Chairman. 1. Issue related to Geology Theory and Lab courses in the revised scheme 2018 of Civil Engg., program. 2. Issues related to Industry Oriented Programming Practices, Introduction to Unix OS, Distributed Systems and Object Oriented Modeling and Design courses in the revised scheme 2018 of Computer Science Engineering Program.	1. AC suggested the department to resolve the issue in concurrence with the Management and put for ratification in 22nd meeting of Academic council. 2. AC suggested the department to resolve the issue and put for ratification in 22nd meeting of Academic council.

The following points were emerged during the course of discussion:

1. NPTEL on line courses: AC noted with pleasure that 931 students and 59 faculty members had registered for the on line courses and their success with good grade. AC felt that there shall be an appreciation for this achievement both for the students and faculty members.

2. Open Book Test: AC members were considerate for the suggestion made by the GC regarding conduct of open book tests and suggested to try on experimental basis for one course in each semester under Course Teacher's Assessment (CTA, for 10 marks). Further, looking to the results of this, can be thought of extending it to internal assessment tests in future.

Dean (Academic Program) / Member Secretary on behalf of the SDMCET family extended invitation to AC members to participate in the Graduation Day Ceremony to be held on 8-6-2019 and proposed a vote of thanks to the Chairman and all members.

Minutes of 20th Academic Council meeting held on 11-02-2019
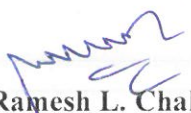

Twentieth meeting of Academic Council was held on 11-02-2019 at 10.30 am. The Chairman extended warm welcome to all the members and called the meeting to order. The Chairman requested Dean (Academic Program), Member Secretary to proceed with the agenda.

	Agenda	Minutes
20AC-01-19	Confirming minutes of 19th ACM held on 28.6.2018 and action taken report	The minutes of 19th ACM were read and confirmed.
20AC-02 -19	Academic report since last AC meeting held on 28.6.2018	The member secretary highlighted the academic, R&D activities, examination & results and achievements. The members noted and appreciated the activities conducted.
20AC-03 -19	Academic support activities	The member secretary presented various supporting activities like extra & co-curricular activities, value addition programs, community services, placement details, sports etc. Members noted the same and suggested to continue in the same way.
20AC-04 -19	Approval sought	
20AC-04.1-19	• Approval for the scheme of study: **(Annexure 9 P.No.53)** 1. III to VIII semesters of UG programs (under revised scheme 2018) 2. III and IV semesters of PG programs (under revised scheme 2018)	• AC felt that introductory project-1 in UG program at III semester shall be avoided and the corresponding credit(s) shall be added to major project at VIII semester. Further, suggested to look at the possibility of keeping the number of contact hours at 40 hours (for 3 credit course) and 50 hours (for 4 credit course) uniformly for all the courses. After deliberation on the above suggestions, AC approved the scheme of study for: 1. III to VIII semesters of UG programs (under revised scheme 2018) 2. III and IV semesters of PG (M.Tech and MBA) programs (under revised scheme 2018)
	• Approval to introduce open book test under CTA (Course Teachers' Assessment)	• AC deferred the proposal, however, advised to make concrete plan of action along with the modalities for such proposals including the results of trials/experimentation.
	• IPR Policy of SDMCET : Recommendation to GC for Approval	• AC approved the proposed IPR policy document of SDMCET and recommended to place before GC for consideration.

ACM – 20

	• Approval for certification /Minor degree in IT discipline **(Annexure 10 P.No.75)**	• Since there is no clarity about award of minor degree in AICTE and VTU guidelines, it is deferred. Further, it was learnt that VTU is in the process of framing guidelines in this regard. AC suggested to wait for VTU framework in respect of minor degree in Engineering.
	• Strategic Plan for 5 years to be recommended to GC	• The extension of the strategic plan for 5 years is accepted and recommended to place before GC for consideration.
20AC-04.4-19	**Plans ahead:** 1. Strengthen Alumni student mentor mentee program 2. Secure more funded research projects 3. Encourage startups 4. Increase the number of Centres of Excellence	• AC noted the plans ahead and suggested to implement austerely the same.
20AC-05 -19	Any other matter with the permission of the Chair Two issues were raised by the member secretary: 1) Inputs sought regarding internship in industries	1) AC felt internship is useful to the students in the present circumstances. Hence, advised the college to take it up with all the earnestness within the scope of VTU guidelines
	2) Consideration of candidature for award of rank with re-registration and supplementary Semester.	2) AC suggested to modify the rule as "the students completing in the first attempt are to be considered for the award of ranks".

Dean (Academic Program) / Member Secretary proposed a vote of thanks to the Chairman and all members. Dean (Academic Program) also thanked on behalf of the SDMCET family all the members of the immediate past AC of SDMCET for their valuable time and contribution for the growth of technical education.

ACM – 19

	Two issues were raised by the Chairman: 1) Inputs from AC members regarding minor / honours degree with additional 15 credits. 2) Consideration of candidature for award of rank with re-registration and supplementary Semester.	1) AC felt that it is a good move however, the degree is being conferred by the VTU and suggested to consult VTU. 2) AC clearly spelt out that students appearing for exam through re-registration and supplementary semester should not be considered for the award of rank.

Dean (Academic Program) / Member Secretary proposed a vote of thanks to the Chairman and all members

Following issues were emerged during the discussion:

1) Innovative centre should work in 3 phases like counseling, prototype and product development.
2) Dr. S. M. Kulkarni, Dr. Jayashree, Dr. K. Somashekar and Dr. D S Prakash appreciated the procedure of conducting AC meeting and thanked SDMCET for the opportunity as this 19th AC meeting is the last meeting in their tenure.
3) Member Secretary and Chairman thanked on behalf of the SDMCET family, all the external members and few internal members for their contribution during their tenure.
