Dear Sir,

We profusely thank you and your staff of BIS Hubli division for the kind courtesy extended during our recent visit to your office. The joint webinar which we organised on the occasion of the world's standard day on 17th -18th of October 2020 was a grand success with participants across India. Participants appreciated all topics covered during the online webinar and expressed to arrange similar programmes in the days to come as well.

Further to our discussion, we request you to assist us in establishing the testing laboratory at our institute with possible information from the welding society of India and Helmet testing agencies. We look forward to hear from you soon and expect your cooperation in the days to come. We have enclosed some snaps which we had taken at your office for your reference and records.

regards

Dr. Sunilkumar S Honnugar
