LETTER OF APPRECIATION

This is to certify that **M/s. Ladder Consultancy Services Pvt. Ltd., Bengaluru** are regularly conducting “**Aspiration Profiling**”, a value addition program at our institute for 1st year Engineering and MBA students since past four academic years.

Mr. C. V. Ramanan, CEO of the organization has taken keen interest in addressing the newly admitted students and is continuously counseling them on the scientific step by step approach to achieve success and realize their dream to become a successful professional.

We appreciate his knowledge and skill. We thank the whole team of Ladder consultancy for their work.

H. Vijay Murthy
