Students Council is at the college level and in SDMCET it has been in existence since 2012. Every year students from each class elect their representative based on class strength and the entire group of such elected representatives forms the students' council. It provides suggestions and raises concerns pertaining to students issues in both academic and non academic matters. Its recommendations are taken as serious input by the college administration. In addition, on all statutory bodies of the college like Governing Council, Academic council, Cultural and Sports committees etc. we have student representation to reflect student opinion on all issues.</p>	<p align="center">10</p>
