The Department of Mathematics was established in the year 1979. The department has always shared the vision of the Institute in striving for excellence in teaching and research activities and has succeeded in this endeavour to a large extent. With Qualified and competent faculty with an average experience of more than 15 years the department has a Strong teaching learning process. The main vision of the department is to develop Competent Professionals with relevant mathematical knowledge and render their service to Society.

Editorial

It gives me great pleasure to present this Fourth issue of News-Letter. Even though there was a lockdown due to the Corona pandemic, department faculty worked online to keep the students busy with their studies and also constantly interacted with them to build up their moral. The Faculty members also kept themselves updated by attending online workshops, FDP, Seminars etc. and kept in pace with the new normal. Congratulation and all success to all the faculty members.

Dr. Jenifer Karnel

Mathematics is the language with which God has written the universe.

Faculty Corner:

Dr.D.P.Basti Evaluated the Ph.D. Thesis entitled "A study on Bipolar valued multi fuzzy subfields of a field" and worked as a Examiner on 24-11-2020, at Bharathidasan University Palkalaiperur, Tiruchirappalli, Tamil Nadu, India.

Department Faculties kept themselves busy by updating during the pandemic by attending Webinars (National & International), Faculty development programs.

Prof. Basavaraj S. Hoogar attended and Presented a Research Article Entitled “An Improved Method Based on Block Pulse Functions for the Numerical Solution of Volterra type Delay Integral Equations” in the International Conference on “Advances in Applicable Mathematics (ICAAM-2020) which was held during 21-22 February 2020 at Department of Mathematics, Bharathiar University, Coimbatore, Tamilnadu, India.

Prof. Preeti B. Jinagouda Delivered a special lecture (online) on “Higher order Derivatives on 4th Dec, 2020 organized by department of Mathematics in collaboration with IQAC, Government First Grade College & PG centre, Dharwad.

Dr. S.S. Shirkol: Delivered a talk (online) on “Numerical Analysis” for Govt. Degree College students in Dharwad on 10th November 2020 from 10.30AM to 12.30PM.
